Board of Directors Meeting
January 12, 2023
3:00 PM
3911 Morse Street
Denton, Texas
AGENDA

- ITEM 1. CONVENING OF MEETING
- ITEM 2. ESTABLISHMENT OF QUORUM
- ITEM 3. INVOCATION & PLEDGES OF ALLEGIANCE
- ITEM 4. OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD OF DIRECTORS
PERSONS DESIRING TO ADDRESS THE BOARD OF DIRECTORS MUST FILL OUT A SPEAKER'S CARD PRIOR TO THE MEETING. NO PRESENTATION SHALL EXCEED THREE MINUTES. THE BOARD CANNOT DELIBERATE ON ANY SUBJECT THAT IS NOT INCLUDED ON THE AGENDA.
- ITEM 5. CHIEF APPRAISER'S REPORT
CHIEF APPRAISER - DON SPENCER
 - 1. DASHBOARD/INTRANET SITE DEVELOPMENT
 - 2. STAFFING LEVEL AND HIRING ACTIVITY
 - 3. PHONE CALL VOLUME & HOLD TIME REPORT
 - 4. NO ACTION ON PENALTIES AND INTEREST FOR 2023 OUTSTANDING Q1 ALLOCATIONS
- ITEM 6. DISCUSS RFP RESPONSES FOR DEED READING SOFTWARE
- ITEM 7. CONSIDER RECOMMENDATION ON RESPONSES TO RFP FOR DEED READING SOFTWARE AND AUTHORIZE CHIEF APPRAISER TO SIGN CONTRACT WITH WINNING BIDDER.
- ITEM 8. CONSIDER AND APPROVE CHANGES TO FLEX WORK SCHEDULE FOR DCAD STAFF
- ITEM 9. CONSIDER AND APPROVE CHANGES TO LOBBY HOURS DURING NON-PEAK SEASON (MON., TUES., THURS. & FRI. 8 a.m-4:30 p.m & WED. 8 a.m.-12 p.m)
- ITEM 10. CONSENT AGENDA
THE ITEMS ON THE CONSENT AGENDA ARE CONSIDERED SELF-EXPLANATORY BY THE BOARD AND WILL BE ENACTED WITH ONE MOTION. THERE WILL BE NO SEPARATE DISCUSSION ON THESE ITEMS UNLESS A BOARD MEMBER OR CITIZEN SO REQUEST.
 - A. APPROVAL OF MINUTES FROM THE PREVIOUS BOARD OF DIRECTORS MEETINGS
 - B. ACKNOWLEDGE RECEIPT OF MONTHLY FINANCIAL STATEMENTS
 - C. ACKNOWLEDGE RECEIPT OF VALUE CHANGES
- ITEM 11. ADJOURN TO EXECUTIVE SESSION PURSUANT TO SECTIONS 551.071 AND 551.074 OF THE TEXAS GOVERNMENT CODE FOR THE FOLLOWING PURPOSES:
 - A. CONSULTATION WITH OUTSIDE COUNSEL ON ACTIVE LITIGATION
- ITEM 12. RECONVENE TO OPEN SESSION AND TAKE ACTION ON ANY NECESSARY ITEMS DISCUSSED IN EXECUTIVE SESSION
- ITEM 13. DISCUSS / SET NEXT MEETING DATE AND FUTURE AGENDA ITEMS
- ITEM 14. ADJOURN

AS AUTHORIZED BY SECTION 551.071 OF THE TEXAS GOVERNMENT CODE, THIS MEETING MAY BE CONVENED INTO A CLOSED EXECUTIVE SESSION TO OBTAIN CONFIDENTIAL LEGAL ADVICE FROM THE DENTON CENTRAL APPRAISAL DISTRICT'S ATTORNEY ON ANY AGENDA ITEM LISTED HEREIN. THE DENTON CENTRAL APPRAISAL DISTRICT'S BOARD OF DIRECTORS WILL THEN RECONVENE IN AN OPEN SESSION AND TAKE ANY ACTION, AS MAY BE NECESSARY, ON ANY ITEMS DISCUSSED IN A CLOSED EXECUTIVE SESSION.

January 12, 2023

TO: Board of Directors

FROM: Don Spencer

SUBJECT: Agenda Item #7 – Consider and Authorize Chief Appraiser to execute contract for Deed Reading/Processing Software

On Dec 21, 2023 Denton CAD sent out a request for proposal (RFP) for an Automated Deed Reading and Processing Software. Please find the attached response to the RFP that was received on Jan 5, 2023 from Just Appraised, Inc. This was the only proposal that was received in response. We have scored the response according to the evaluation criteria set forth in the RFP and Just Appraised, Inc. meets all the needs and requirements in the request.

Category	Possible Points	Points Given	Comments
Technical Compliance with Software Design	50	50	Compatibility acceptable (starting pg. 7)
Technical Compliance with Scope of Work	30	30	Understand and ability to meet needs
Cost/Pricing	40	10	Undeterminable due to lack of competing bids
Customer Service, Training & Support Plan	30	30	Excellent Training and Support plan
Past Performance Evaluation	20	20	Abundance of references
Implementation	10	10	Solid implementation plan
Management	10	10	Qualified and experienced leadership in company
Proposal Submittal	10	10	
Total	200	170	

REQUEST: To authorize the Chief Appraiser to execute a contract with Just Appraised for Deed Reading & Processing Software as presented in the proposal.

COST SUBMISSION FORM

I/WE HEREBY PROPOSE to provide automated deed reading and processing services software and related supporting functionality as proposed within this document and, if awarded this proposal, do agree to abide by the conditions, terms, requirements herein and subsequent contract, except as noted below under “EXCEPTIONS AND CONDITIONS OF THE FIRM”. Any deviation from the item requirements must be noted on this proposal sheet, or attached addendum, for that item and referenced below.

Software / License	\$110,000 annually
Project Labor	\$3,000 one-time
Third Party Software	\$0
Additional Training Cost	\$0
Total Proposed NET Cost	\$113,000

EXCEPTIONS AND CONDITIONS OF THE FIRM NOT INCLUDED IN THE NET COST Itemized requirements excluded from the net cost must be referenced by line and page number of the RFP. If the item is to be included at a later date, the cost and time requirements to provide each item must be listed.

TOTAL EXCEPTIONS NOT INCLUDED IN THE NET COST ABOVE: None

ANNUAL SUPPORT AND RECURRING MAINTENANCE

One-year annual maintenance and support: _____

Two-year annual maintenance and support: _____

Three-year annual maintenance and support: _____

The \$110,000 annual cost is based upon the scope of the project as outlined in the SOW and RFP and the Appraisal District's approximate deed volume of 40,000 deeds annually. As a Software-as-a-Service (SaaS) company, this ongoing annual price includes all service, maintenance, and support, as well as the benefits from product improvements and additions that we may develop in partnership with Denton CAD and other customers in the years to come. Certain 'custom' features such as SSO, custom reporting, other unique requests, or substantial increases in deed volume may result in consultative conversations around new proposed prices in subsequent fiscal years. For any questions, please feel free to contact Andy Morgosh, Director of Sales, at andy@justappraised.com or 406-508-2310.

ADDENDUM AND SUPPLEMENTAL INFORMATION

Please use the space provided (and additional pages if necessary) to elaborate and supplement additional information regarding anticipated cost associated with the purchase of the Firm's automated deed reading and processing services software system. Specifically address the following:

- Hardware requirements the District either does not currently have or would need to acquire;
- The benefits, enhancements, or enrichments included with annual support and maintenance;
- Additional training cost not included with software fees;
- Cost and process of future or supplemental software development;
- Any exceptions not included in the net cost.

RFP–Denton CAD: Deed Reading/Processing Software

Section 1: Vendor Qualifications

COMPANY PROFILE

Company Name: Just Appraised, Inc.

Company Headquarters: 2261 Market St., No. 4074, San Francisco California, 94114

Company Ownership: Just Appraised is a venture-backed corporation, with majority ownership held by its three founders: Travis Noll, Imran Khoja, and Ihsan Ecemis, who are currently the COO, CEO, and CTO of the company, respectively. Travis, Imran, and Ihsan have 3 of the company's 5 board seats. Approximately $\frac{1}{3}$ of the company is owned by investors, both individuals and venture capital (VC) firms. Representatives from VC firms hold the remaining 2 of 5 board seats. Finally, Just Appraised is owned by its employees. About $\frac{1}{6}$ of company ownership is to be held by employees.

Just Appraised does not have any parent companies or subsidiaries. Just Appraised has never been a part of a merger or acquisition.

Number of Years in Business: Founded June 2017 (5.5 years in business)

Company Staff: 90+ Full-time Employees

Company History: Just Appraised was founded in 2017 by two Stanford Business School graduates, Travis and Imran, and their friend, Ihsan, who holds a PhD in computer science from Boston University. As students at Stanford, Travis and Imran were enrolled in a cyber security program called Hacking 4 Defense in which entrepreneurs teamed up with government agencies to prevent bad actors from stealing confidential data. One of the government agencies they partnered with was the Santa Clara County assessor. Travis and Imran were struck by the fact that local government software and technology was often far less advanced than what was being utilized in the private sector. Recognizing the assessors and appraisers were responsible in valuing the property that drove the taxes that fund the vast majority of all local government, they made it their mission to build the same high quality tools and software for local government that was available to private firms.

After attending the IAAO conference in Las Vegas in 2017 and talking with every Assessor and Chief Appraiser they could, Imran and Travis recognized they could serve these offices by streamlining the change of ownership process. With Ihsan's expertise, they developed a deed-reading software leveraging OCR, natural language processing, and machine learning. The company grew, eventually partnering with 40 assessor and appraisal offices before developing its second software tool (for submitting and processing homestead exemptions) in partnership with Travis CAD in early 2020. **Today,**

Just Appraised offers six software applications to two government offices (appraisal districts and county clerks) and is partnered with over 150 local government entities across the country including ~30 in Texas.

COMPANY MISSION & PHILOSOPHY

Mission: To enable local government employees with tools, technology, and support so they can deliver exceptional service to taxpayers.

Vision: To create trust between governments and the communities they serve by acting as the 'connective tissue'.

Company Goals: Just Appraised strives to stand alone as the premier vendor of choice in the assessment/appraisal space and our business plans are lofty accordingly. We currently have 150 deeds processing customers; we believe there are 600+ counties in the US that would benefit from this service and we are working to reach those partners in the next five years. We recently entered a new market, providing an auto-indexing solution, similar to our deeds software, to county clerks, recorders, and register of deeds. We currently have two customers and hope to grow that to 12-15 by the end of 2023. Additionally, we are further developing our exemptions, BPP, and I&E and commercial valuation tools.

We do not aspire to be acquired and have turned down multiple buyout offers. We think that perhaps someday we'd like to go public.

The Just Appraised Inc. management team must balance two competing interests: continuing to grow and develop in a cutting-edge, rapidly changing technology space while remaining excellent and conservative stewards of the highly sensitive data and workflows our customers entrust to us. The management team meets frequently to be briefed on technology changes that impact the way Just Appraised Inc. can help customers build data workflows, as well as new security technologies that can help protect those workflows, and finally any regulatory changes that may require Just Appraised Inc. to alter its software to maintain legal compliance. Major planned changes to the business are also reviewed by the management team to ensure they can be conducted in a way that is compatible with our core product offerings and duties to new and existing customers.

In short, we recognize that Appraisal Districts are a tight-knit community. The best way to grow is to focus on providing exceptional service to our existing customers. Insofar as they are satisfied with our work, they'll partner with us on additional software projects and talk about us to their compatriots.

Support, Customization, and Enhancement Perspectives: Before we discuss our support perspectives, let's look at what the impact of our philosophies have been in the minds of our customers:

“I believe the transition to the Just Appraised software has been the smoothest of any I have worked on. Especially the customer success team. Everything we were told you would do you have done and we appreciate it.” –Hamilton County, TN Assessor

“I'd like to thank you and the rest of the Just Appraised team for all you do. I am always blown away by the service I've received. Thank you for all you do to assist us.” –Fort Bend (TX) Central Appraisal District

“JA has got to have the nicest, most patient team out of any service provider I've ever worked with. Y'all are a pleasure to work with.” –Lake County, FL Property Appraiser

“We did a training this morning and one of the employees that I thought would be the most resistant to Just Appraised is now your biggest advocate. We're so grateful for the relationship with your team. We want to work together for the long haul.” –Rutherford County, TN Assessor

“I look at Just Appraised as another employee in our office.” –Webb (TX) Central Appraisal District

“I appreciate how rapidly the Just Appraised team responds when we are faced by a challenge or issue, and the customer service is above and beyond.” –Bell (TX) Central Appraisal District

“I wanted to take a moment to brag on this all-star assigned to me. They've all been incredible. You have great representatives. Travis is amazing. I thought I juggled a lot of items, and I do, but MAN he makes me look like a sloth. Nusret's a genius, Ana-Rita's an angel, Sarah so super smart, patient and sweet! Cannot begin to say enough about Jimmy and Chetna. They knock stuff out!” –Oklahoma County, OK Assessor

There are two things we'd like to highlight regarding our perspective on support and product enhancements:

- The value we're providing to the customer must always significantly exceed our cost of our service. If that means we need to issue a credit memo, we'll issue a credit memo. If that means offering new features and enhancements, we'll seek to implement those as expediently as possible. And whereas other vendors in our space address product requests on a timeline of months or even years, Just Appraised delivers in terms of days and weeks.
- Everyone that works at Just Appraised takes this business personally. By that we mean, if Just Appraised fails to deliver on our promises to a customer, the people that work here feel as though they personally failed. Each individual acts as though they're putting their own reputation on the line every time they speak with a customer.

The number one way we'll remain on the cutting edge for years to come is by listening intently to our customers. The reason we have an exemptions product is because we delivered exceptional service to Travis CAD and asked us to build them something for exemptions. We then combined those conversations with a truly world-class engineering and product team that can deliver on those customer visions.

Staffing: Just Appraised currently has 90 employees. We will be adaptable to circumstances, but we currently plan on growing the team to ~140 employees by the end of 2023 to meet our customer's needs and demand for our services. On this journey, you will interact with:

Kate Lesswing, Launch Project Manager

- Responsible for on-time, on-budget Just Appraised solution implementations
- One year experience at Just Appraised
- Prior to JA, 5 years of CPG and consumer brand marketing and project management
- <https://www.linkedin.com/in/kate-lesswing-7270047a/>

Travis Noll, Chief Operating Officer

- Co-founder, 5+ years at Just Appraised
- Responsible for technical setup, integration with Tyler Eagle, and configuration
- Background in project management and implementation at Invoice2go, ZS Associates, Stanford Student Enterprises
- Stanford University undergrad and business school
- <https://www.linkedin.com/in/travisalexandernoll/>

David Addison, Director of Implementation

- Master's degree from Oklahoma University
- 27 years experience in project management and project delivery
- <https://www.linkedin.com/in/david-addison-ob/details/experience/>

In addition to these three people, you will also interact with:

- One Customer Success Manager
- One Director of Customer Success
- One Solutions Engineer
- One Integrations Engineer
- Two Customer Support Reps

Supporting all of this will be:

- A three person product team
- A ten person business operations team
- A seven person engineering team

But it's really all-hands-on-deck here at Just Appraised when it comes to serving our customers.

COMPANY EXPERIENCE

Background: Just Appraised has been providing deeds processing services to assessors and appraisal districts for 5 ½ years. Even though we've subsequently built additional products, our deeds software remains our flagship enterprise, and all but two Just Appraised customers use it. Today we serve ~150 jurisdictions.

Our product has improved markedly with time and we are constantly connecting with our customers to learn how we can make the application even better. For example, we recently added an address validation service that ties into the USPS database and provides real-time validation so appraisal districts don't need to wonder if their mail will be delivered. We've taught our software to extract lender names and consideration amounts to help customers in Texas, a non-disclosure state. And we've built more robust managerial tools around reporting and tracking to make sure no deed is overlooked.

Our NPS or Net Promoter Score is remarkably high, and we're far more likely to receive a referral than to lose a customer. In fact, we've only 'lost' six customers in our company history and three of those have subsequently returned to Just Appraised.

Current Customers: Just Appraised currently has 150+ customers. We have chosen to list all of our current contracted Texas customers. We have also provided contact information and key details for jurisdictions we deem similar to Denton CAD. Additional information is available upon request.

Texas Customers (41)

Travis: Customer since 2019 – Currently uses 3 Just Appraised software applications including the deeds product – Similar annual deed volume to Denton CAD – Originally on PACS when we implemented the deeds product – Asked us to develop our exemptions application to serve their needs

Leana Mann: Director of Operations, lmann@tcadcentral.org, 512-834-9317

Fort Bend: Customer since 2020 – Currently uses 3 Just Appraised software applications including the deeds product – Slightly smaller (25% less) deed volume compared to Denton CAD

Jordan Wise: Chief Appraiser, jordanwise@fbcad.org, 281-344-8623 ext. 179

Hidalgo: Customer since 2020 – Currently uses 2 Just Appraised software applications including the deeds product – Similar annual deed volume to Denton CAD – PACS CAMA user – Developed customized tools for Hidalgo including legal description modification, specialized exemptions mailing letters, land use modification, and more

Rolando Garza: Chief Appraiser, rgarza@hidalgoad.org, 956-381-8466

Tom Green: Customer since Jan 2022 – Currently uses 2 Just Appraised software applications including the deeds product and recently contracted with us for a 3rd
Tyler Johnson: Chief Appraiser, tylerj@tomgreencad.com, 325-658-5575

McLennan: Customer since 2018 – PACS user, this was our first PACS integration
Joe Don Bobbitt: Chief Appraiser, jbobbitt@mclennan.org, 254-755-6567

Williamson: Customer since 2018 – PACS user, this was our second PACS integration – Only slightly smaller than Denton CAD – Helped us to develop our ‘full automation’ feature

Alvin Lankford: Chief Appraiser, alvinl@wcad.org, 512-931-7826

Ellis: Customer since 2019 – Originally a PACS user when we first implemented
Kathy Rodrigue: Chief Appraiser, kathy@elliscad.com, 972-351-1591

Liberty: Customer since 2020 – PACS user, one of the fastest growing counties in the country

Jeff Lambright: Chief Deputy, jlambright@libertycad.com, 936-336-5722 ext. 136

Montgomery: Customer since 2019 – Currently uses 2 Just Appraised software applications – Similar annual deed volume to Denton CAD

Adam Edmunson: GIS Manager, aedmunson@mcad-tx.org, 936-539-8672

Potter-Randall: Customer since 2020 – Originally a PACS user when we first implemented – Sees 14 hours of daily staff time savings on a deed volume 1/3 of Denton CADs

Jeffrey Dagley: Chief Appraiser, jdagley@prad.org, 806-354-6611

Financial Stability & Lawsuits. Just Appraised has received sufficient venture capital funding to achieve cash flow breakeven in the foreseeable future, and has access to additional funds from its investors should the need arise. Just Appraised does not have audited financial statements to provide, but will be happy to provide access to its Chief Financial Officer to discuss any aspect of its financial position if required. Just Appraised has never been involved in any civil lawsuits or dispute resolutions, nor has it been the subject of any criminal charges at any point in its history.

Ability to Begin and Complete Implementation: If we are awarded this contract, we will seek to schedule a kickoff meeting to begin implementation by or around the end of the month (January). We have discussed internally, and Denton CAD would slot-in in the 3rd position in our launch roadmap behind only Riverside, CA and Cobb, GA. Of course, we have the ability to work on multiple implementations simultaneously. Our full implementation plan is included later in this document.

Demos: We are available to demo the software at any time!

Section 2: Specific Project Qualifications

CAPACITY TO PERFORM THE RFP REQUIREMENTS

Before diving into the specifics of the RFP, we offer a brief description of how Just Appraised works:

Just Appraised receives recorded documents from the Denton Clerk on a nightly basis via a secure file transfer protocol (sFTP) we work with your team to establish. Within 36 hours (often faster), Just Appraised runs these documents through our machine learning algorithms. These algorithms classify documents by over 50 different criteria. From there, documents automatically populate precise and specific workflow for members of the Denton CAD team to review. After documents are reviewed (extracted data is checked for accuracy), users can click a button to ship the data seamlessly into PACS. The appropriate data fields in PACS will populate within a couple of seconds, and the user is invited to begin reviewing the next document. Our attached kickoff deck includes a more robust description of this process.

There are 20 distinct requirements listed in the RFP. **Just Appraised is able to fulfill all 20 requirements.** We provide commentary and visual proof where applicable.

1. Must integrate with the Appraisal Districts current appraisal system, PACS

Just Appraised is either currently integrated with or in the process of finalizing an integration with 26 Appraisal Districts who use PACS, including 25 in Texas. Our longest standing integration is with McLennan CAD, who became a Just Appraised partner in August 2018. More specifically, Just Appraised is currently building an integration with Denton CAD's PACS system as we worked toward implementing our BPP product. We will be able to leverage existing HW and accesses in place to build out the integration for our Deeds product. It is important to note that Harris sometimes issues an addendum to their existing contract with the Appraisal District that absolves them of fault pertaining to an integration between their software and Just Appraised. This addendum may be required to supply any additional table permissions within PACS outside of what is currently being used for the BPP product.

2. Integration must be real-time (<10s), direct-to-database after approval of a deed (not nightly batch processing)

When a user processes a deed in Just Appraised, the information will populate in PACS within 5 seconds. Just Appraised deploys an integration service within the Denton CAD environment that will poll our product API every 3-5 seconds for transfer records approved by Denton CAD staff and pulls that data down and inserts directly in the PACS database. Data being transmitted in this process is encrypted in transit for security purposes. Just Appraised will make use of the currently provisioned Virtual Machines (VMs) within the Denton CAD network being used for the BPP integration.

3. Integration must be automatic and not involve a person entering data into PACS for more than 10% of the transfer content

Just Appraised updates all change-of-ownership related fields in PACS in greater than 90% of cases. Our integration makes use of RESTful APIs for transfer of data between our SaaS web-based application and the Denton CAD PACS database. We then deploy custom coded integration applications on VMs within the Denton CAD network that run as a windows service. These integration applications programmatically load the data into the PACS database directly, without human intervention.

4. Primary components of the software solution must be cloud based except for any integration component with PACS

Just Appraised offers a cloud based solution. Our integration makes use of a cloud based RESTful API for polling and retrieval of data back into the Denton CAD environment, at which point we transform the JSON payload for direct database inserts. All data is stored in the United States in the AWS private secure cloud and is redundantly backed up in multiple cloud locations.

5. Software must be software-as-a-service (not client-server) with a browser-based user interface

Just Appraised offers a SaaS platform with a browser-based user interface. While Just Appraised can work in different browsers, the software works best with, and Just Appraised recommends using, Google Chrome. ***This setup allows users to work from home and still process deeds in Just Appraised.***

6. Software solution must guarantee an uptime of 99% with a 3-year history of meeting or exceeding that threshold

Over Just Appraised's 5+ year history, we have had an uptime of upwards of 99.9%. We will commit to guaranteeing an uptime of 99% going forward as well.

7. Software vendor must be SOC II Type 1 compliant and able to produce a report within the last 12 months upon request

Just Appraised is SOC II Type 1 complaint. Our last PEN test was in September 2022. Going forward, we will have annual PEN tests.

8. Vendor's software solution with the ability through optical character recognition and to read legal documents and facilitate rapid accurate verification of legal components of documents affecting title to real estate

Just Appraised utilizes OCR and Natural Language Processing (NLP) to accurately match parcels listed on the deed with parcels in PACS. We use a multi-step proprietary algorithm that looks at legal description, owner names, and parcel ID numbers, but relies primarily on legal description. An example of a correct parcel match in Just Appraised's software in McLennan CAD is pictured below :

The screenshot displays a legal document viewer interface. The main document content includes the following text:

GRANTEE: SVEA INDUSTRIAL VI LLC, a Delaware limited liability company

GRANTEE'S MAILING ADDRESS: 110 E. Houston Street, 7th Floor, Box #171, San Antonio, Texas 78205

CONSIDERATION: The sum of TEN AND NO/100 DOLLARS and other good and valuable consideration, including a note of even date that is in the principal amount of TWENTY-SIX MILLION ONE HUNDRED THOUSAND and 00/100 DOLLARS (\$26,100,000.00) which is executed by Grantee, payable to the order of ARGENTIC REAL ESTATE FINANCE LLC, a Delaware limited liability company. It is secured by a vendor's lien retained in this deed in favor of ARGENTIC REAL ESTATE FINANCE LLC, a Delaware limited liability company and by a deed of trust of even date from Grantee to John T. Duncan III, Trustee for the Benefit of ARGENTIC REAL ESTATE FINANCE LLC, a Delaware limited liability company.

PROPERTY (INCLUDING ANY IMPROVEMENTS):
Tract One: Being Lot 18 in Block 91 of the Farwell Heights Addition, to the City of Waco, McLennan County, Texas, according to the plat recorded in Volume 356, Page 176 of the Official Public Records of McLennan County, Texas and;
Tract Two: Being Lot 16 in Block 91 of the Farwell Heights Addition, to the City of Waco, McLennan County, Texas, according to the plat recorded in Volume 1817, Page 871 of the Deed Records of McLennan County, Texas.

The right sidebar, titled "Included Parcel(s)", lists two parcels with the following details:

- Parcel 1: Geo ID 480176000926047, Prop ID 173376, CAMA Name WORNAT-WACO-HH-LLC, Situs Address, CAMA Legal FARWELL HTS Block 91 Lot 18 Acres .2841
- Parcel 2: Geo ID 480176000926023, Prop ID 173374, CAMA Name WORNAT-WACO-HH-LLC, Situs Address, CAMA Legal FARWELL HTS Block 91 Lot 16 Acres .7575

9. Must be able to accept and read PDF files

Just Appraised is able to accept and read multiple document types including .pdf, .png, .tif, and .jpg. PDFs are Just Appraised's preferred file format to ingest.

10. Ability to sort documents, filter by book, page, recorded date, document type, save selected filters

Just Appraised allows users to sort and filter by all these categories and more (in fact, we classify documents and allow you to sort by over 50 different categories). The screenshot below shows the filtering capabilities in Just Appraised:

The screenshot shows the 'Official Records' interface for Hays CAD, TX. The top navigation bar includes 'Hays CAD, TX', 'SANDBOX', 'CUSTOMER SERVICE', and 'Official Records'. A search bar on the right shows 'Search by name' with 1000+ results. On the left, there is a 'Collapse Filters' button and a 'Recently Viewed Tasks' section. Below that, a list of filters is shown: Recorded Date, Status Name, Instrument No., Flags, and Assignee. An 'Add Filter' button is also present. The main table displays search results with columns: ASSIGNED TO, STATUS NAME, INSTRUMENT NO., RECORDED DATE, and DOCUMENT T. The table contains five rows of data, each with a team comment. A red arrow points to the 'PARCEL MATCHING' flag in the third row.

ASSIGNED TO	STATUS NAME	INSTRUMENT NO.	RECORDED DATE	DOCUMENT T
PN	PARCEL MATCHING	19012056	Apr 15, 2019	WDVL
PN	DATA EXPORT	19012725	Apr 22, 2019	CWD
DZ	PARCEL MATCHING	19013697	Apr 29, 2019	SWD
DZ	PARCEL MATCHING	19014175	May 1, 2019	GWD
DZ	PARCEL MATCHING	19014223	May 1, 2019	GWD
DZ	PARCEL MATCHING	19014836	May 6, 2019	GWDVL

This next image shows an example of multiple saved filters:

The screenshot shows the 'Official Records' interface for McLennan CAD, TX. The top navigation bar includes 'McLennan CAD, TX', 'SANDBOX', 'CUSTOMER SERVICE', and 'Official Records'. A dropdown menu is open, showing 'UDI queue' with a close button. Below the dropdown, there are three radio button options: 'Easy Standard Queue', 'Metes & Bounds Queue', and 'UDI queue' (which is selected). At the bottom of the dropdown, there is a link to 'Manage Personal Filters'.

11. Ability to automatically detect the following characteristics from a document, with individual flags for each characteristic visible to the user: metes and bounds, tenants in common, tenants by the entirety, joint tenants, life estate

Just Appraised can flag all these things and more. Flags are customizable to a large extent for each jurisdiction. For example, McLennan CAD has an Undivided Interest (UDI) flag. Pictured below is an example of flags utilized in TravisCAD:

Document Flags

Needs Review Flag	<input type="checkbox"/> FALSE
Metes & Bounds Flag	<input type="checkbox"/> FALSE
Trust Flag	<input type="checkbox"/> FALSE
Fractional Interest Flag	<input type="checkbox"/> FALSE
AKA/FKA/NKA Flag	<input type="checkbox"/> FALSE
Multiparcel Flag	<input type="checkbox"/> FALSE
Life Estate Flag	<input type="checkbox"/> FALSE
Tenants in Common Flag	<input type="checkbox"/> FALSE
JTWRS Flag	<input type="checkbox"/> FALSE

12. Software shall at minimum extract the following: grantor name, account/parcel number, instrument number, consideration/loan amount and lender name (if applicable), grantee name, grantee address, recorded date, sale date, legal description and date on instrument.

Just Appraised extracts all of these fields and more. Pictured below is an example of how this information is displayed in Just Appraised for convenient user review:

The screenshot displays the 'Just Appraised' software interface. At the top, there is a navigation bar with 'Hays CAD, TX', 'SANDBOX', and 'CUSTOMER SERVICE Official Records'. Below this is a search bar and a 'Save for Later' toggle set to 'FALSE'. The main content area shows a document extraction summary for 'Assigned To: Andy Morgosh'. The document content includes:

- Grantee:** Brent W. Mullinix
- Grantee's Mailing Address:** 5751 Hartson Kyle, Tx 78640
- Consideration:** For the CONSIDERATION of the love and affection which Mark W. Mullinix and Brenda G. Mullinix, individuals, hereinafter referred to as "Grantors", bears unto Brent W. Mullinix, hereinafter referred to as "Grantee", Grantors do hereby give, assign and transfers unto Grantee all rights, title and interest in and to the following lands and property, together with all improvements located thereon, lying in the County of Hays, State of Texas, to-wit:
- Property (including any improvements):** County of Hays, Lot 9, Block A, PLUM CREEK PHASE I, SECTION 2-A, according to the map or plat thereof, recorded in Volume 9, Page 113, Plat Records, Hays County, Texas

The right-hand sidebar shows a 'Grantee Address' section with fields for 'Last Name' (MULLINIX), 'Suffix' (Select option), 'Address Type' (Standard US w Attn), 'Attn:' (empty), 'No.' (5751), 'Dir. Prefix' (Select option), and 'Street Name' (HARTSON). Red arrows point from the text in the document to the corresponding fields in the sidebar.

13. Software solution must have a real-time (not mass) integration with USPS address database to validate mailing addresses

Just Appraised as a real-time integration with the USPS address database. An example of address validation in Just Appraised is pictured below:

Grantee Mailing Address

✓ Address Validated
100% Confidence in Deliverability

Your Input

ADDR1 [Edit Address](#)
9711 COLTS NECK LN

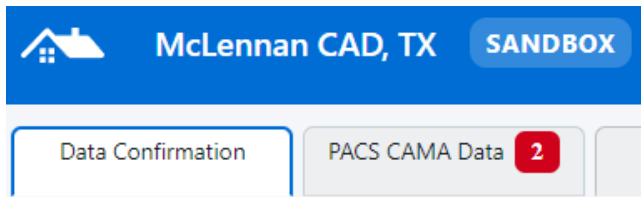

CITY
CONCORD

STATE	ZIP	ZIP 2
NC	28027	2873

Validate

14. Workflow capabilities in the software must provide the option to remove, retain, or reset exemptions through the processing workflow

Just Appraised will notify users if the parcel currently has an exemption of any kind listed in PACS but populating a small, red square on the PACS CAMA data tab in Just Appraised.

From there, users can click on that tab and learn more about the exemptions that are currently in place on the parcel. Then, they can select the option to remove, retain, or reset from a convenient dropdown menu. An example of what this looks like in McLennan CAD is pictured below:

Reset Exemptions Checkbox

Yes - Reset Checked

Remove Agent?

No Change

15. Workflow capabilities in the software must allow linking a new parcel to an existing owner id during the change of ownership process

Just Appraised will surface potential owner id matches based upon grantee name and mailing address. Users can either choose to link the parcel to an existing owner id match or create a new owner id. An example of this in McLennan CAD is pictured below:

Assigned To: Andy Morgosh

Owner Matching

16. Vendor must have the ability to provide a RESTful API for the Appraisal District to write their own custom reports and queries

Just Appraised offers this upon request

17. Offer synthesized reports that capture all extracted data as well as task completion by users

Hays CAD, TX **SANDBOX** CUSTOMER SERVICE
Official Records

Reports

Standard Reports

- Task Completion
- All Task Data
- Task Count

Just Appraised includes three kinds of reports/analytics:

- **Task Completion** shows who did what in what time frame. Managers can select any custom time frame (i.e. September 1, 2022 to August 31, 2023), and then break that time frame down into either daily, weekly or monthly periods. The screenshot below shows the number of auto-indexed instruments reviewed by Damaris each week in the Hays County Appraisal District:

Hays CAD, TX **SANDBOX** CUSTOMER SERVICE
Official Records

Reports / Task Completion

Saved Reports: Unselected

Transitions: 3 Selected

Time Grouping: Weekly

Date Range: 09/13/2020 → 08/14/2021

Refresh Download

Name	09/13	09/20	09/27	10/04	10/11	10/18	10/25	11/01	11/08	11/15	11
Damaris	77	54	90	157	128	192	128	101	42	91	

This productivity report helps to foster accountability and efficiency

- **All Task Data** allows users to search for any instrument(s) that has ever been uploaded to Just Appraised by any number of criteria. In other words, if you want to search for warranty deeds recorded on April 11, 2019 where the grantee's address was located in Grapevine, you can do that in Just Appraised.

The screenshot shows the 'All Task Data' report interface. At the top, there is a navigation bar with 'Hays CAD, TX', 'SANDBOX', and 'CUSTOMER SERVICE Official Records'. Below this, the page title is 'Reports / All Task Data' and there is a 'Saved Reports' dropdown menu showing 'No Reports are Saved'. The main search area has three columns: 'Field', 'Operator', and 'Values'. The filters are: Document Type (General Warranty Deed), Recorded Date (04/11/2019), and Grantee Address (contains San Marcos). There are buttons for 'Clear All', 'Refresh', and 'Download'. Below the filters is a table with the following data:

ASSIGNED TO	STATUS NAME	INSTRUMENT NO.	RECORDED DATE	DOCUMENT TYPE	METES & BOUNDS F...
DZ	DISMISSED	19011653	Apr 11, 2019	GWD	✓

Task Count is like a combination of the two reports above. It allows you to figure out how many documents fulfill specific search criteria. If you would like to know how many deeds with UDIs were processed in April, you can easily determine that with this report.

18. Workflow capabilities in the software must enable the user to assign in bulk a subset of documents to a specific user

Just Appraised offers this bulk assignment capability. It is one option available under 'user roles' so the Appraisal District can offer this capability to some users and not others if they so choose.

19. Software must be accessible 24/7 web access to stored data and software services (except for planned downtime)

Just Appraised is available 24/7/365 with the exception of a small window of time (usually 2AM on Sunday morning) when updates take place.

20. Vendor must be able to provide all data to customer within 48 hours of a written request

Just Appraised views itself as stewards of the Appraisal District's data. Just Appraised will be able to provide all data to Denton CAD within 48 hours of a written request.

PROJECT DELIVERABLES & IMPLEMENTATION PLAN

Just Appraised can commit to all required deliverables and reports as outlined in Section 4.2 of the bid packet, namely 1) an implementation plan 2) monthly implementation updates 3) delivery of the software itself 4) training/support at launch and 5) ongoing training/support.

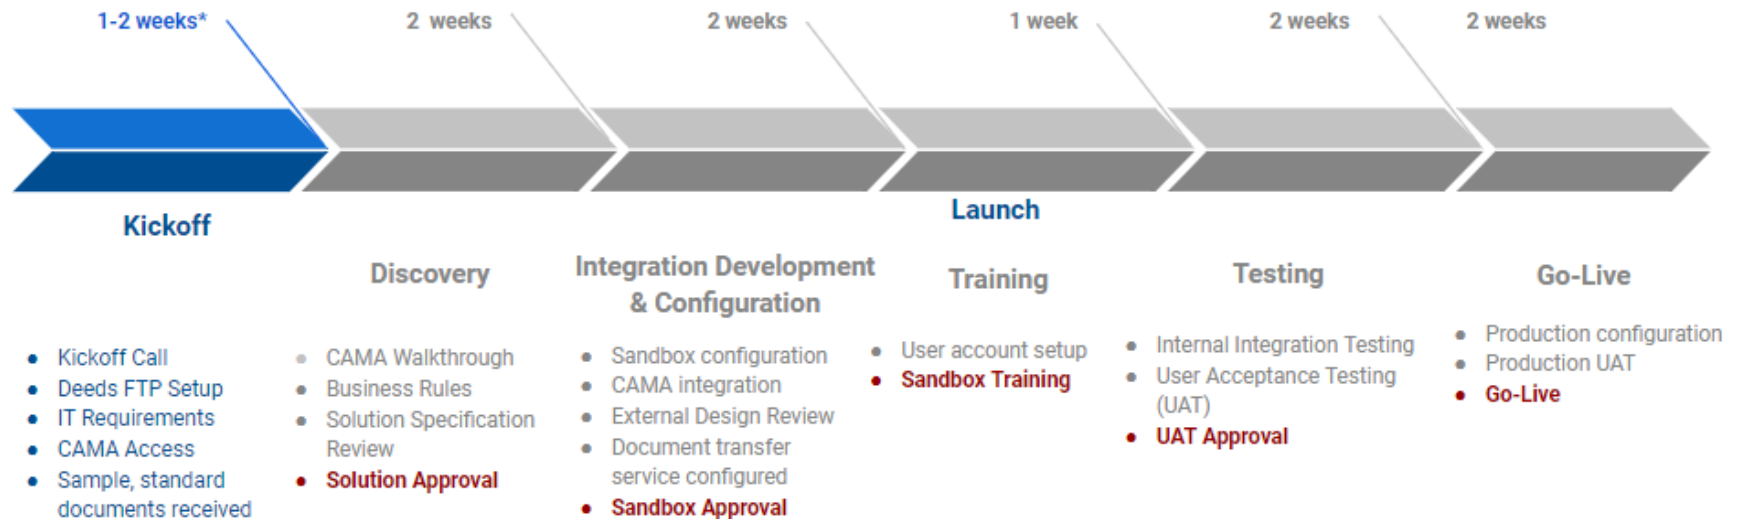

In response to this section, we are providing 3 resources: 1) An visual implementation timeline and kickoff deck; in addition to the graphic below, please also see the kickoff deck at the end of this packet, beginning with the “Just Appraised & Denton CAD, TX Deeds Project Kickoff” slide; 2) an SOW that outlines the deliverables from both Denton CAD/IT and Just Appraised and 3) additional details about our training/support plan.

Please note that these 3 resources address Section 8 of the RFP in totality

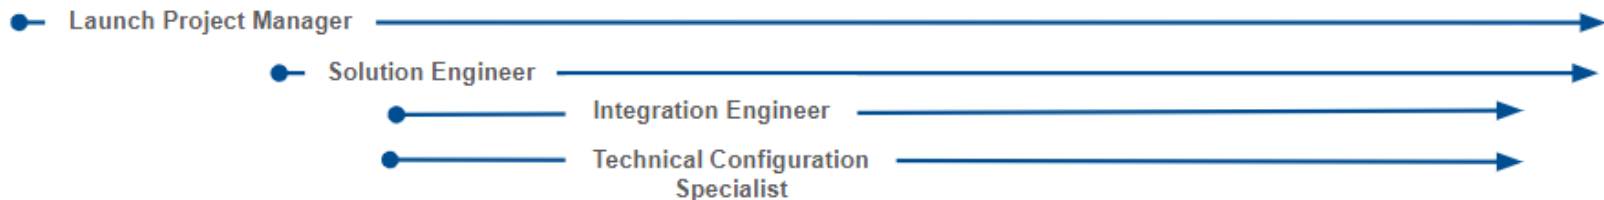

Implementation Timeline Graphic

Just Appraised target implementation is broken into two phases. A Kickoff Phase in which we introduce the project manager and work towards getting all Deeds and IT requirements satisfied, and a Launch Phase in which you work with a dedicated Solutions Engineers who leads you through the discovery, development and configuration, training, testing and go-live steps in an implementation. A kickoff phase is generally 1 to 2 weeks in duration, but will vary depending on how long it takes to get all required IT requirements, Deeds access, and CAMA permission in place. The Launch phase of the project has a target of 9 weeks from the first discovery meeting to actual go-live in production.

Deeds Project - Projected Timeline

Just Appraised Team

Scope of Work

2.1 Overview.

Company will work with Customer to provision Company's Transfer of Ownership and Sales Coding application for Customer's Property Tax Deeds Department. Company's Platform aggregates various data sources about real estate transactions and creates a workflow that allows staff members to process the transactions more quickly.

Within this Statement of Work, Company will work with Customer to:

- Satisfy all technical requirements needed to develop, configure and deploy the Platform (Phase 1)
- Understand Customer's needs and identify any customizations needed to Platform (Phase 2)
- Review customizations with Customer, conduct User Acceptance Testing, and complete the roll out of the application (Phase 2)
- Provide weekly project check-ins and monthly status reports

Figure 1.1 outlines the overall path a project takes from SOW development to launch / go-live. Completion dates and milestones in this SOW are contingent on Customer's i) timely and substantive participation in all activities described, ii) timely provision of access to all systems and databases as requested, and iii) access to qualified, authorized personnel who can provide all necessary guidance to Company's implementation team with respect to workflows and requirements. Substantial changes to scope beyond what is described in this section will require Company review and may require an amendment to this SOW along with additional fees and/or changes to implementation timeline.

Path to Go-Live

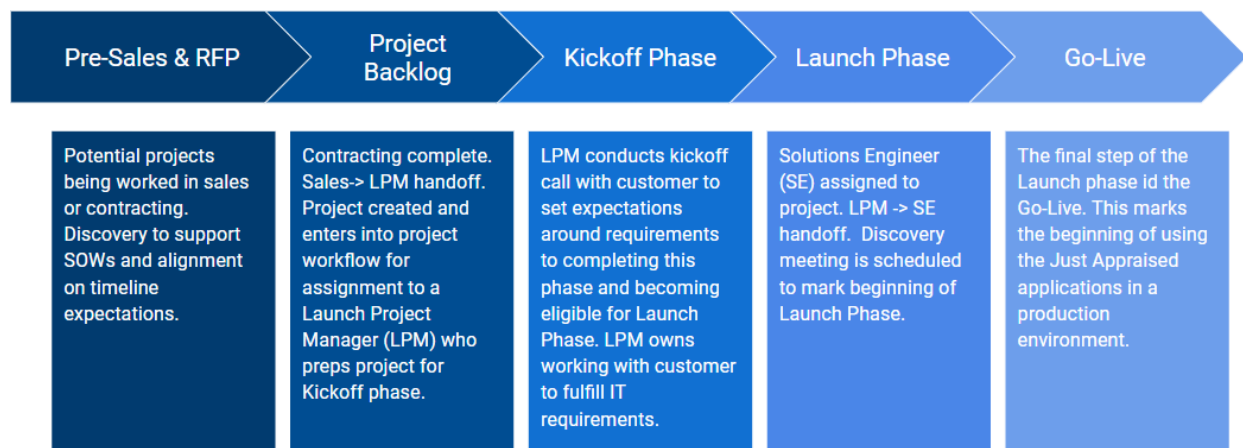

Figure 1.1 - Path to Go-Live

2.2 Phase 1 - Kickoff Phase

Upon contract award, a project will be created and placed in the Implementation Team's queue. After a Launch Project Manager (LPM) is assigned to the project, the LPM will work with the Customer to establish a mutually agreeable date for a kickoff meeting. The kickoff meeting signals the beginning of the kickoff phase. Kickoff phase will be complete once all technical requirements are established and satisfied. Key milestones for the kickoff phase include:

- Holding a kickoff meeting (attendees: Deeds Manager, Deeds User, Mapping Manager, IT Representative, Clerk's Office Representative, Company LPM). Agenda:
 - Meet key stakeholders
 - Discuss objectives for Platform

- Discuss Customer systems and how Platform will integrate with Customer systems:
 - Deeds access: the attendance of a representative from the Clerk's Office or Clerk Vendor will greatly assist a successful launch
 - IT access: system architecture, IP addresses, permissions. We will make use of any currently provisioned IT access obtained for the current BPP project.
 - Computer-Assisted Mass Appraisal ("CAMA") system: Customer to provide any additional access to the PACS system to support the transfer of ownership process.
- Discuss timeline and milestones
- Deeds process discussion and access
 - Understand sources of deeds data for processing
 - Understand which Customer systems are involved in deeds processing
 - Understand how deeds documents are routed
 - Understand which stakeholders are involved at each step in deeds processing
 - Obtaining access to deed images
- CAMA system access
 - Establish the nightly CAMA data sync method
 - Agree on the direct to database data loader method
 - Obtain any additional access to CAMA based on agreed upon methods
- IT access requirements - confirm use of currently provisioned access and systems supporting the BPP project
 - Confirm VPN connectivity
 - Confirm currently provisioned VMs
 - Provision any new service accounts needed

2.3 Phase 2 - Launch Phase.

The launch phase begins with assignment of a Solutions Engineer (SE) to the project and scheduling a discovery meeting. The target timeline for completing the launch phase is nine (9) weeks from the completion of the initial discovery meeting. The key activities for the launch phase include:

1. Discovery - The purpose of discovery is to fully understand the Customer's current workflow and requirements in order to design a solution that satisfies those business requirements in the Platform. Some of the discovery activities include:
 - Customer conducting a CAMA system walkthrough with SE to understand how deeds data is handled within Customer systems (e.g. how are names formatted).
 - Business rules conversation to understand how deeds data is handled within Customer systems (e.g. how are names formatted)
 - Creation and Customer approval of a solutions document to conclude discovery. The solutions document will describe:
 - Customer's existing deeds process
 - How Customer's deeds workflow will be automated in Platform, including detailed descriptions of data types, fields, and configurations (including specific document types to be filtered out or displayed using "Data Extract" / "No Data Extract" workflows)
 - Note: Platform automates data extraction from scanned images of deeds documents and affidavits of heirship. Extraction of data from scanned images of other document types is out of scope of this SOW, though Platform is able to route these other document types.
 - Extracted data and flags will include only:
 - Instrument number
 - Consideration amount (if applicable)
 - Lender name (if applicable)
 - All Grantee Names
 - One Grantee Address
 - Recorded Date
 - Sale Date
 - Book, Page
 - Document Type
 - Parcel Match
 - Metes/Bounds Flag
 - Multi-Parcel Flag

- Joint Tenancy Flag
 - Tenants in Common Flag
 - Life Estate Flag
 - Partial Interest Flag
 - How Platform output will be reflected in Customer's CAMA system database
 - Note: Triggering actions within Customer's CAMA system (e.g. generate mailing letters) is out of scope of this SOW
 - Note: Updating additional systems apart from Customer's primary CAMA system is out of scope of this SOW
 - Configuration of the Platform, to include connections to tools to:
 - Provide client-side analytics (i.e. user bounce rate, etc.)
 - Monitor Platform performance (i.e. slow page loads, etc.)
 - Monitor errors (i.e. identifying specific information about bugs automatically, etc.)
 - Manage logs (i.e. compliance with log requirements, etc.)
 - Note: Tools may include externally hosted industry-standard services
2. Integration Development & Configuration (ID&C) - during this step of the launch phase, all the integrations will be developed as well as the configuration of Platform in accordance with the Customer approved solutions document. Other activities in this step are:
 - External Design Review meeting:
 - Present customizations to Platform per approved solutions document
 - Gather feedback from Customer stakeholders
 - Company to iterate on customizations to Platform as needed
 - Deed uploads into the Sandbox/Testing environment
 3. User Training - training sessions with an instance of Platform to introduce day-to-day functional users to the Platform. This step of the launch phase may take place concurrently with the ID&C step above.
 4. Technical Internal Testing - the purpose of technical internal testing is for the SE to ensure that the Platform is functioning properly from a technical perspective and is in a state of readiness for User Acceptance Testing (UAT).
 - Activate Platform integration to Customer CAMA system
 - Test Platform workflows with data from Customer CAMA system
 5. User Acceptance Testing (UAT) - the purpose of UAT is for the day-to-day functional users to ensure the Platform meets their business needs as determined during discovery and documented in the solutions document.
 - Customer works through test cases provided by SE, documenting results
 - Customer to indicate final acceptance of Platform as implemented for Customer's workflow
 6. Go-Live - Launch of Platform for use with live data to conclude the launch phase. Subsequent to Go-Live, Company will conduct:
 - Review of CAMA database updates to confirm Platform is working per solutions document
 - Daily check-in meetings with Customer users of the Platform for 1-2 weeks after launch
 - Warm handoff to the company Customer Success Manager (CSM) assigned to Customer and introduction to User Support processes

3. TECHNICAL REQUIREMENTS

This SOW includes an integration into Customer's CAMA system. In general, Company requires access to a pre-production or "test" CAMA environment for testing prior to deploying Platform in a CAMA production environment, in addition to access to the production CAMA environment. Company will make use of all applicable currently provisioned VMs, accounts, and access supporting the BPP project. The following are general requirements to successfully execute the integration:

- Continued on-premise access to Customer's network to the provisioned virtual servers
- Any new read/write access to Customer's CAMA database (production and test) supporting the transfer of ownership process
- Trace permissions on the CAMA database for conducting a detailed step-by-step examination of how changes in the CAMA UI correlate to changes in the CAMA database for transfer of ownership

Please note: Platform requires connections to tools to: provide client-side analytics (e.g. user bounce rate, etc.), monitor Platform performance (e.g. page load time, etc.), monitor errors (e.g. automatically identify specific information about bugs, etc.), and manage logs. These tools may include externally-hosted industry-standard services.

Training/Support

Support is essential to the way Just Appraised operates. It is one thing to deliver a high-quality transfer of ownership software to your doorstep and then say, “Good luck!” It’s quite another to *partner* with you on an ongoing basis to ensure that your office is successful not just on day 1 but also on day 1000. We put our money where our mouth is, offering the right to cancel your subscription without penalty, with 60 days notice.

Training/support at Just Appraised includes the following, all part and parcel of the quoted cost:

1. **Kickoff Call:** After the contract is signed, Just Appraised schedules a kickoff call with all relevant team members from Denton CAD. We outline all steps in the implementation and ensure you feel comfortable with the onboarding process.
2. **Dedicated Launch Project Manager:** Just Appraised provides a dedicated Launch Project Manager (LPM) to guide you through the kickoff phase of the project. This ensures a smooth launch process. After the kickoff phase, the LPM acts as your dedicated escalation point during the project duration.
3. **Dedicated Solution Engineer:** The Solution Engineer (SE) is responsible for guiding your team through the launch phase of the project. The SE will define the workflow solution and lead you to a successful Go-Live.
4. **Custom Configuration:** Early on in the launch phase, the SE will design a solution based on your workflow needs. One of our Technical Configuration Specialists (TCS) will build your Just Appraised portal to that solution. The SE will conduct a Design Review and ongoing testing to make sure Just Appraised looks, feels, and works like you want it to.
5. **Training:** Once you’re ready to launch, Just Appraised will train every user of Just Appraised one-on-one, until that user feels comfortable using the application
6. **Go-Live:** On your Go-Live day, Just Appraised will be there with you to ensure success. **A member of our launch team will be onsite to help you through your first day.**
7. **Check-ins:** As you familiarize yourself with the new Just Appraised workflow, we will complete weekly check-ins for at least two months to ensure things are running smoothly
8. **“Hypercare” period:** For 4 weeks immediately following launch, Just Appraised allocates additional resources to your project to ensure launch and initial usage are incredibly smooth
9. **Ongoing Chat Support:** Just Appraised provides ongoing live chat support during all business hours (including but not limited to 8AM to 7PM Central). Our average response time is under 3 minutes
10. **Customer Success Manager:** We will assign a dedicated Customer Success Manager (CSM). In addition to facilitating training, leading the weekly check-ins

post launch, and leading the Quarterly Business Reviews, your CSM exists to ensure your goals for this project are being met.

- 11. Quarterly Business Reviews:** Just Appraised will meet with you once per quarter to ensure we are delivering on your expectations. At this Quarterly Business Review, we will review key data around accuracy and efficiency based upon your usage of Just Appraised

Section 3: Cost

Just Appraised has completed the Cost Submission Form (see below) and is also providing the following comments on the constituent parts of Section 6 of the RFP:

6.1 Software License: The annual software license of \$110,000 includes everything covered in the SOW above and all 20 requirements of the RFP. We offer the software and all implementation, training, support, and updates for this annual cost. As referenced above, we are also able to provide our API documentation for this cost; however, we will not be providing our source code.

6.2 Hardware Purchases: Based upon the description of Denton CAD's current IT infrastructure in Section 3 of the RFP, we do not anticipate that the Appraisal District will incur any additional costs for hardware purchases.

6.3 Project Labor: As stated in the Cost Submission Form, Just Appraised is charging \$3,000 one-time for training and implementation for this project. We do not charge by the hour; this one-time fee is inclusive of all implementation and training costs.

6.4 Third Party Software: No additional software is required to be purchased by the Appraisal District

6.5 Training Cost: We have included the training costs in our Project Labor bid; therefore there are no additional training costs

6.6 Total Proposed Net Cost: The total proposed net cost for the first year of this project, covering all of 2023, is \$113,000

6.7 Annual Support and Maintenance: As mentioned on the Cost Submission Form, we are a SaaS provider; the \$110,000 is our ongoing annual support and maintenance fee. This covers all future benefits, enhancements, and enrichments that are rolled out across all of our existing customers. Examples of recent benefits to customers include 1) algorithmic improvements in our data extraction resulting in higher quality and more accurate data 2) a 'Teams' function which allows users to belong to specific workflows, see specific documents and queues, and collaborate on specific parts of the change of ownership process 3) more robust capabilities around exemption removal including

proration of certain exemptions types 4) (in progress) an updated and improved manager's dashboard.

The only things that would result in an increase in this price are 1) a significant (10%) increase in volume of work as measured by deed volume or parcel count 2) special requests unique to Denton CAD that don't serve the majority of our existing customers and deviate from the SOW included in this packet. We *love* to partner with existing customers to make the platform better, and broad improvements to our software that result from those conversations are included in the cost, but bespoke requests or one-offs are not.

With respect to potential price increases: 1) we will always give the county ample notice for inclusion in the next fiscal year's budget 2) price changes are always forward-looking, never backward-looking (meaning there will never be a backcharge for work done in the past) 3) price increases/decreases are always by mutual agreement and either party retains the right to end the relationship if a mutually agreed upon price cannot be reached.

6.8 Supplemental Development: As mentioned above, we will work incredibly hard to listen to you and to incorporate your feedback to improve the product without charging additional fees. There are certain custom features, like Single-Sign-On (SSO) that may result in a request for additional payment because that feature will not be implemented across all existing customers. We don't have a one-size-fits-all approach to either our product implementation or our pricing structure and as such, bespoke enhancements will need to be negotiated on their own terms. But again, we will work tirelessly to improve the product so you're getting additional benefits without incurring additional cost and therefore, get more bang for your buck. Ask our existing customers; we've done this time and time again.

Just Appraised & Denton CAD, TX

Deeds Project Kickoff

Meet the Team: Just Appraised

Implementation Team

- **Launch Project Manager**
 - Supporting unblocking three key areas of project:
 - IT Access
 - Deed Access
 - CAMA Vendor communication
 - Provides user training
- **Solutions Engineer**
 - Launch day-to-day contact when project is ready to begin, solution design, data model / mapping, solution specification document
- **Technical Configuration Specialist**
 - Stand up and configuration of sandbox and production environments
- **Integration Engineer**
 - Development and configuration of data exchanges via web service or direct database integration with your CAMA

Success Team

- **Customer Success Manager**
 - Client relationship owner, ensures success of JA in the Assessor's office, per your business requirements
- **Just Appraised Support**
 - On-call product support available via realtime chat and email

Our Software:

What we do:

Just Appraised allows you to process deeds significantly faster by extracting data from your documents and displaying it in our software. Instead of spending your time with data entry, you simply review the data and process the document directly into PACS

Recorded at the request of:
Contra Costa County

Return to:
City of Martinez
525 Henrietta Street
Martinez, CA 94553

Assessor's Parcel No. 373-265-001 Title Co. Order No. NCS516944-SC

GRANT DEED

For valuable consideration, receipt of which is hereby acknowledged,
CONTRA COSTA COUNTY, a political subdivision of the State of California,
Grants to the CITY OF MARTINEZ, a general law city, the following described real property in the City of Martinez, County of Contra Costa, State of California,
FOR DESCRIPTION SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF.

NEW OWNERS

SALE DATA

IT Requirements Overview:

* Detailed IT requirements discussed later in presentation

What we need from you

Two Virtual Machines

- 1: Production environment
- 2: Staging/Test environment

Active Directory Accounts

- Ability to install utility services.
- Ability to publish the application as a service with automated refresh functionality.

VPN and Remote Access

- Depending on your preferred protocol

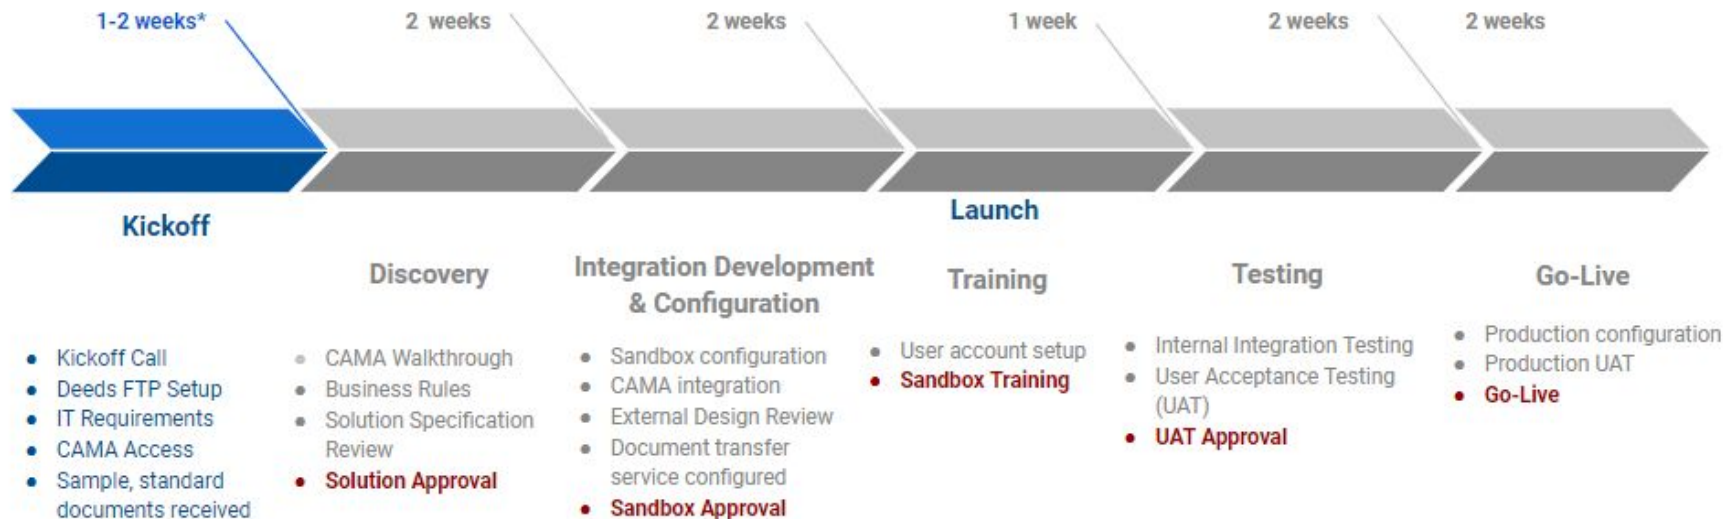

CAMA User Credentials

- Credentials for a read/write only {{CAMA}} database user:
 - One for Test
 - One for Production

Deeds Project - Projected Timeline

Just Appraised Team

IT Requirements & Data Flows

How to setup your
IT for success.

IT Requirements: Detailed

1. Two virtual machines

- 1 for a Production environment, 1 for a Staging/Test environment
 - i. Just Appraised must keep traffic adequately separated, therefore two machines are required.
- Minimums Specifications:
 - i. Windows Server 2016 (or newer) | ~8GB storage | ~16GB RAM

2. VPN and remote access to these servers

- Just Appraised will use the preferred protocol your team sets up.
 - i. Cisco AnyConnect +Windows Remote Desktop is common.
 - ii. PPTP/GoToMyPC/LogMeIn/Citrix are good alternatives.

3. Active Directory accounts

- Prefer a system/service level account (<CountyName>-JA-Services) tied to a JA created email address to match.
- If named accounts are required, then the SE assigned to the project, the SE team lead, the IE team, and the support team will need accounts.
- Our three requirements here are to:
 - i. Install utility services (e.g. IIS, SSMS)
 - ii. Publish the application as a service such that when the server reboots, the application restarts
 - iii. 'Log on as a batch job' permissions (for scheduling nightly data refresh task)

4. CAMA Database users + connection information

- Just Appraised requires credentials for two read/write only database users: 1 credential for Test | 1 credential for Production
- Just Appraised requires CAMA DB server names and IP information to successfully connect to the database tables

5. Server permissions / access

- Our applications on these servers will make the following requests:
 - i. Outbound FTP connections to justappraised.files.com (Files.com is our FTP provider)
 - ii. Outbound HTTPS connections to api.justappraised.com, api-sandbox.justappraised.com
 - iii. Outbound TCP/IP connections to the CAMA DB
 - iv. Inbound VPN/RDP connections

***All requests will originate from within the Customer's network with the exception of the RDP connection.**

There are 3 major data flows:

Deed's Access

Deed images transferred from Denton to Just Appraised.

NEW OWNERS

SALE DATA

3 major data flows: Deeds Access

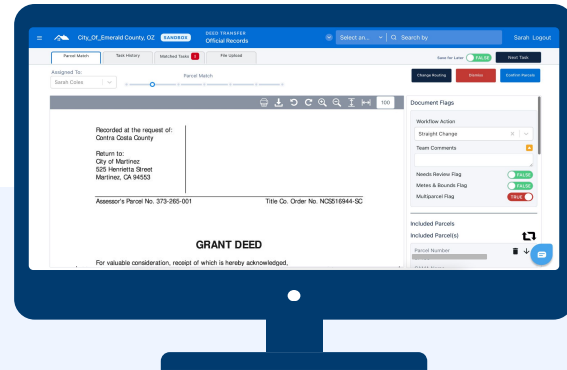

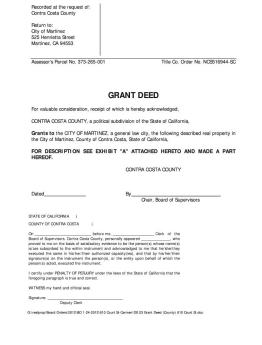

How does this work?

Purpose

- Deed images are imported into Just Appraised for ownership data to be extracted and reviewed by the Denton CAD team

Deed Transfer Methods:

- **Option 1: Automatic Transfer:**
 1. The Clerk transfers deeds to the Just Appraised FTP site for processing.
 2. **OR** Just Appraised automatically pulls deed images from the Clerk for processing.
- **Option 2: Manual Transfer:** Denton CAD team manually uploads deed images & index files to the Just Appraised FTP site on a regular basis.
- **Cadence:** Ideally, deeds are uploaded by the Clerk on a **nightly basis**, otherwise a weekly basis.

3 major data flows: CAMA Sync

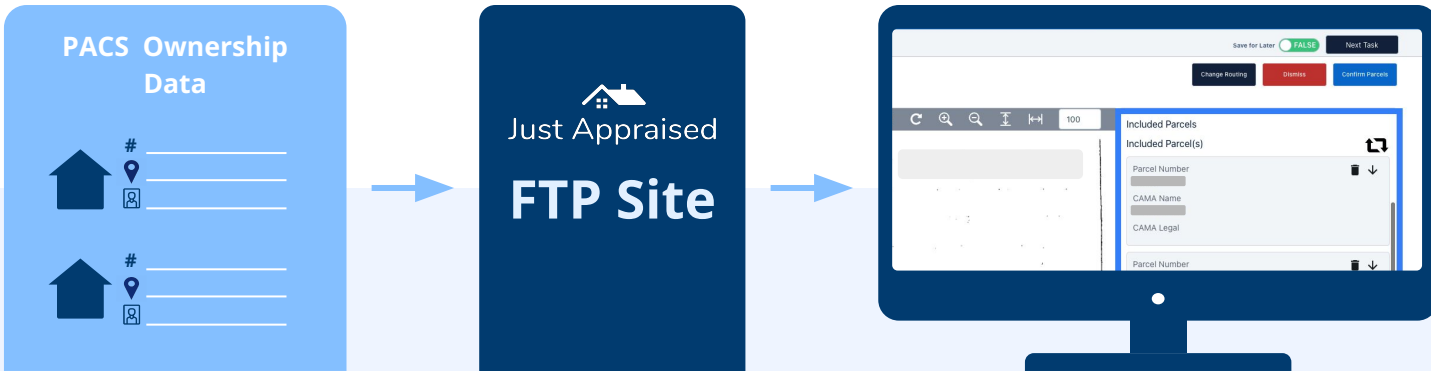

How does this work?

Purpose

- Pull latest CAMA information (property, owner, exemptions etc.) from your PACS database into our application

PACS Data Transfer:

- **Cadence:** This service will run on a **nightly basis**

3 major data flows: Integration

How does this work?

Purpose

- Enable Just Appraised to link ownership data updates to existing property accounts in PACS

Approved Extracted Ownership Data Transfer:

- An application running on the Just Appraised Virtual Machine within the Denton CAD network will poll the Just Appraised backend server every **3 seconds** for newly approved ownership data.
- Newly approved ownership data is validated and updated in your PACS database.
- This will run as an automated Windows Service (if the server restarts, the service will restart automatically)
- **Cadence:** This service will run on an ongoing basis as documents get processed by the Denton CAD team

Success Criteria

- 1 What recorded date are you currently working? Do you currently track these metrics?
 - ***90% of our customers are working within a week of the current recorded date***
- 2 Do you track data accuracy today? Is this a challenge for your office?
 - ***We achieve 98%+ data extraction accuracy***
- 3 What are some initiatives that you are looking forward to making progress on this year?
 - ***Are there any predicted time obstacles to our project?***

January 12, 2023

TO: Board of Directors

FROM: Don Spencer

SUBJECT: Agenda Item #8 – Consider and Approve changes to current flex schedule hours for Denton CAD staff.

For several years Denton CAD has offered a “flex” schedule during non-peak times of the year. Currently according to policy, the available flex schedule is 8 - 9 hour days and 1 - 8 hour day with every other Friday off. This allows for flexibility and the benefit for employees to utilize a business day away from the office to take care of personal business. The current option for this flex schedule, if chosen, is to start the work day at 7:30 a.m. and work until 5:30 p.m. with a one hour lunch break. I would like to offer a few more options to this flex schedule if the board approves. I want to offer 7:00 a.m. to 4:30 p.m. with a 30 minute lunch and 8:00 a.m. to 5:30 with a 30 minute lunch. This would not affect coverage during operating hours and would offer a few more options for the same type of schedule.

REQUEST: Allow the Chief Appraiser to amend the policy to accommodate new options for flex schedule.

January 12, 2023

TO: Board of Directors

FROM: Don Spencer

SUBJECT: Agenda Item #9 – Consider and Approve changes to lobby hours for Denton CAD staff.

In an effort to allow for training and development of new hires in the Customer Service department and to also allow for processing during a peak mailing season, I am asking the board to consider allowing for the change of lobby hours. I would like to change our lobby hours on Wednesdays to 8 a.m. to noon.

REQUEST: Approve the Chief Appraiser to change the lobby hours on Wednesdays from 8 a.m. to 4:30 pm. to 8 a.m. to noon.

DENTON CENTRAL APPRAISAL DISTRICT

BOARD OF DIRECTORS MINUTES

DECEMBER 15, 2022

3:00 p.m.

ITEM 1: CONVENING OF MEETING

Roy Atwood convened the meeting at 3:02 pm.

BOARD MEMBERS PRESENT: Roy Atwood
Charles Stafford
Alex Buck
Ann Pomykal
Michelle French, Ex Officio Member

ABSENT: David Terre

STAFF PRESENT: Don Spencer, Kim Collins, Misty Baptiste

ITEM 2: ESTABLISHMENT OF QUORUM

ITEM 3: INVOCATION AND PLEDGES

Invocation was given by Michelle French.

The Pledge of Allegiance was stated to the U.S. Flag and Texas Flag by all who were present.

ITEM 4: OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD OF DIRECTORS
PERSONS DESIRING TO ADDRESS THE BOARD OF DIRECTORS MUST FILL
OUT A SPEAKER'S CARD PRIOR TO THE MEETING. NO PRESENTATION
SHALL EXCEED THREE MINUTES. THE BOARD CANNOT DELIBERATE ON
ANY SUBJECT THAT IS NOT INCLUDED ON THE AGENDA.

No public present to address the Board.

ITEM 5: CHIEF APPRAISER'S REPORT
INTERIM CHIEF DON SPENCER

A. PREPARING RFP FOR DEED READING/PROCESSING SOFTWARE FOR A
JANUARY CONTRACT

This is an item that has been budgeted for. Early on in the budget talks this was something Denton CAD wanted to do. Don is familiar with the vendor and they have

Minutes - Board of Directors Meeting of December 15, 2022

been in the industry for about 6 years. They were the sole source of this service but there is another vendor who has shown interest. It will be an over 100 thousand dollar contract so by Tax Code must go out for bid. This service will fill in deed information and read the deed turned in to the country and then will be able to be looked at by a support person to make sure information is accurate. Will shorten the deed processing time immensely to allow the mapping department to do their job more efficiently. Helps to take out the human factor and the level of error. There will be a building of trust in the beginning but once confidence is gained in the software this will be a huge benefit for the District.

B. PRESENT PILOT PROGRAM FOR REMOTE HYBRID WORK SCHEDULE

Presentation of a program created by Leanne Rice-Baker which was given to administration in spring of 2022 which looked at the advantages and disadvantages of the possibility of a hybrid work schedule. The presentation included a survey of the industry including Bexar County which has been doing this since 2020. Don thinks this could be a morale boost for the current staff and will be attractive for new hires who are looking for remote work. Another advantage would be the creation of additional office space - with the desire to hire 17 new staff members - there would be the possibility to look at alternating weeks in the office rather than sharing office space. Would like to see the exploration of this as a 6 month pilot program with the possibility of making this a permanent adjustment. Ms. Pomykal asked if there are any CyberSecurity risks or issues and Don says there is no difference in accessing in the office or at home. VPN Connections would be the same. Roy Atwood reminded us that we would need to make sure policies are in place for confidential owners. Mr. Atwood also stated that Zoom has improved efficiency and productivity based on his experience. The taxing entities would definitely be expecting it from us as we look at space constraints.

C. DISCUSS HAVING SOME WEDNESDAYS AS "TRAINING DAYS" AND CLOSED TO PUBLIC

Mr. Spencer presents the possibility of looking at closing for a portion of time each week to help with training. Customer Service will be one of the places that we look at adding the most people to and they are the most difficult department to train due to the constant flow of people in the building and phone calls. After presenting the idea, Mr. Spencer opens the floor to the board for questions and concerns. Mr. Buck thought it was a great idea to give them the best option and environment. Ms. Pomykal asked if any retirees are willing to come back and do training based on their experience. Ms. French asked about a half-day possibility. Mr. Spencer definitely wanted to give them some focused training and give them the best opportunity to succeed and feels like this is the best way to do that. At this time, the phones would not be shut down - we just want to eliminate the foot traffic. Mr. Spencer asked that this happens during January-March when we can get all we have hired up to speed in the best way possible. Ms. French would like to consider a half day or a later opening - possibly a 10-3 idea on Wednesday.

D. LITIGATION UPDATE

Mayvex vs Denton CAD lawsuit which was brought to the Board as a public address in a recent board meeting. Windy Nash and the Denton CAD Council went to

mediation back in November and settled all three years of value. Case is now closed and resolved.

E. CYBER SECURITY UPDATE

Both Dallas CAD and Travis CAD have been hit recently by a Ransomware attack. Dallas does not know where it came from and they don't know any other motive other than the ransom that was asked for. Dallas is almost positive it came as an email attachment as an invoice from either somewhere in the Middle East or Russia and it very possibly sat dormant in their system for months. Denton CAD sends reminders to staff to remain diligent and if there is anything questionable to call the IT department before doing anything. Mr. Spencer has reassured Judge Eads that firewalls and all protections are in place to be as cognizant as possible. Ms. French and Mr. Atwood think it would be wise to talk with Denton County Cyber Security to see if there is anything else we need to be doing.

ITEM 6: CONSENT AGENDA

THE ITEMS ON THE CONSENT AGENDA ARE CONSIDERED SELF-EXPLANATORY BY THE BOARD AND WILL BE ENACTED WITH ONE MOTION. THERE WILL BE NO SEPARATE DISCUSSION ON THESE ITEMS UNLESS A BOARD MEMBER OR CITIZEN SO REQUEST.

- A. APPROVAL OF MINUTES OF THE PREVIOUS BOARD OF DIRECTORS MEETINGS
- B. ACKNOWLEDGE RECEIPT OF MONTHLY FINANCIAL STATEMENTS
- C. ACKNOWLEDGE RECEIPT OF VALUE CHANGES

Ann Pomykal made a motion to approve all items on the Consent Agenda. Alex Buck seconded the motion. The motion passed and the vote was unanimous.

ITEM 7: CONSIDER AND AUTHORIZE CHIEF APPRAISER TO EXECUTE NEW CONTRACT WITH WARDLAW APPRAISAL GROUP FOR INDUSTRIAL, MINERAL AND UTILITY APPRAISAL

Mr. Spencer presented that Denton CAD is up on the contract for industrial and mineral accounts. Denton CAD has been contracting this particular service out for as far back as we can see. Wardlaw has done all the work without increasing their fees over the last several years. Contracts were sent with and without a 2-year extension. Mr. Spencer does not want to look for any other company based on the experience we have with them and their knowledge of all things Denton County. Ms. French stated that Wardlaw does a fantastic job in supporting all the things we do and even asks questions from the tax office when they are not the direct client. "We should not try to fix what is not broken." Mr. Spencer also stated that Peggy Wardlaw is available to come visit with the board and or entities to talk about projections for what is coming in the market.

Alex Buck made a motion to approve the new contract with Wardlaw Appraisal Group. Ann Pomykal seconded the motion. The motion passed and the vote was unanimous.

ITEM 8: DISCUSS AND GIVE CONSENT FOR CHIEF APPRAISER TO APPOINT NEW BOARD MEMBER TO AG ADVISORY BOARD

Mr. Spencer reported that retiring Ag Advisory Board Member, Shirley Haisler has made a couple of recommendations for the Ag Advisory Board. Jeff Duesman has filled out the application form and fits all the qualifications for the Ag Board. There is a feeling he is a great fit to take Mrs. Haisler's place. We are asking to approve Mr. Duesman's appointment to the Ag Advisory Board by Mr. Spencer.

Alex Buck made a motion to approve Jeff Duesman's appointment to the Ag Advisory Board by Don Spencer. Michelle French seconded the motion. The motion passed and the vote was unanimous.

ITEM 9: ADJOURN TO EXECUTIVE SESSION PURSUANT TO SECTIONS 551.071 AND 551.074 OF THE TEXAS GOVERNMENT CODE FOR THE FOLLOWING PURPOSES:

- A. DELIBERATION ON PERSONNEL MATTERS - DISCUSS CHIEF APPRAISER SEPARATION AGREEMENT
- B. DELIBERATION ON PERSONNEL MATTERS - DISCUSS AND CONSIDER WRITTEN EMPLOYMENT AGREEMENT AND APPOINTMENT OF CHIEF APPRAISER
- C. CONSULTATION WITH LEGAL COUNSEL
- D. ACTIVE LITIGATION UPDATE

Board went it to Executive Session at 3:54

ITEM 10: RECONVENE TO OPEN SESSION AND TAKE ACTION ON ANY NECESSARY ITEMS DISCUSSED IN EXECUTIVE SESSION

Board reconvened following Executive Session at 4:33.

No Action Taken at this time.

ITEM 11: DISCUSS/SET NEXT MEETING DATE AND FUTURE AGENDA ITEMS

Next meeting is Thursday, January 12 at 3:00.

POTENTIAL AGENDA ITEMS FOR FUTURE MEETINGS:

Ann Pomykal - Measurements of Objectives and Goals - Employees, ARB Board Members

Roy Atwood - KPI's - where are we with FTE's, Customer Service - wait times on the phone, performance indicators, number of phone calls per day, - what are the measurements and standards

Charles Stafford - is it possible to create a 15-minute canned speech to go out to the Rotary, Kiwanis, Real Estate offices, etc.

Minutes - Board of Directors Meeting of December 15, 2022

Don Spencer is going to Robson Ranch Kiwanis Club Meeting to speak on evaluation, HS exemptions, January protests. He will also be speaking to Greater Denton/Wise realtor Association for Habitat for Humanity on January 10.

Ann Pomykal - encourages Denton CAD to hit a broad spectrum of the COunty. - what is the goal per month of appraisals

Don Spencer - reiterates why it is hard to set goals for protests handled per month

Charles Stafford - asked is there anything we can hand the entities that would allow them to help us make things easier for the taxpayer?

Alex Buck - would like to look at the Board Manual and make some changes to the policies and procedures.

ITEM 12: ADJOURN

Chairman, Roy Atwood, adjourned the meeting at 4:51.

Roy Atwood, Chairman

ATTEST:

Ann Pomykal, Secretary

Denton Central Appraisal District

November 2022 Financials

AGENDA ITEM #10B

Please find attached the Monthly Financial Report as of November 30, 2022 with highlights.

Balance Sheet Notes:

- Current *Reserved for Contingency* balance is \$1,113,230

Revenue Notes:

- The 2022 Allocations are essentially paid in full.
- *Miscellaneous Revenue* includes payments from Jim Pritchard for Special Inventory Tax Enforcement.
- *Miscellaneous Revenue* also includes a \$370,101.95 deposit for prior year Rendition amounts that the County had collected for the past 10 years and remitted in full.
- The *Interest Income* continues to outpace budget as a result of Operating and Investment account consolidation to benefit from the current rising interest rate environment.

Expense Notes:

- *Year-to-Date Actual Expenditures* are under *Budget Year-to-Date* by (\$744,363.52).
- *YTD Actual Compared to YTD Budget* is under budget across most expenses. Notable exceptions are explained below:
 - *Printing Services, Postage & Freight* and *Legal Notices* – increased costs directly tied to protest season
 - *Building & Land Improvements* – payments for Phase II Renovations
 - *Seasonal Labor* – increased use of temps during protest season

Recommendation:

To approve November 2022 Board Financials as presented.
