## Minutes - Board of Directors Meeting of April 6, 2023

to get notices out on time and move forward in protest season. This allows DCAD to be able to provide entities much more accurate updates and information for the coming protest season.

All Board members echoed Mr. Spencer's sentiments and thanked the leadership team for their work and sticking with the CAD through the ups and downs of the past year.

### 2. PLANS FOR ENTITY LUNCH AND BUDGET PRESENTATION

May 1 and 2 Entity Luncheons will be held to share progress, budget plans, county growth numbers, preliminary total plans, timeline and plans toward certification. Luncheon will be held at the Denton County Courthouse to accommodate as many of the entities as possible. May 1 will be for School Districts and Denton County and May 2 for the Cities and Towns.

### 3. BRIEF ON MARCH PUBLIC SPEAKING OPPORTUNITIES

Mr. Spencer gives a summary of the speaking opportunities he has been invited to. He feels this is a good way to build and strengthen relationships and make some introductions. Mr. Spencer feels it is important to make himself available to the entities so that communication is open and allows the CAD to continue to build the public relationship.

## B. DEPUTY CHIEF OF APPRAISAL - APPRAISAL DIVISION UPDATES

Chris Littrell reported that NAV's will be going out on April 17. The Database system is currently shut down to allow for processing and printing of all notices. Mr. Littrell gave updates and summaries from each appraisal division including their numbers and statistics for this year compared to the past several years.

Ann Pomykal asked about the handling of the larger tax agents who booked their appointments late in 2022. Mr. Littrell explained that the intention is to work with agents immediately and schedule those very early in the season to close those out as soon as possible.

Charles Stafford expressed concern over settlements being posted in a more timely fashion. Mr. Littrell explained that once notices are mailed out everything is locked and static and that the website value information remains static during certification time.

## C. DEPUTY CHIEF OF ADMINISTRATION - ADMIN DIVISION UPDATES

Jeanne Ashlock provided updates from Appeals, Customer Service, and IT where protest questions are concerned. There is much work being done to improve efficiency. Denton CAD is working to have temps starting soon to help us through protest season. Also, working to maximize the time we have scheduled for ARB hearings - there will be 2 panels starting on Tuesdays and Thursdays, April 25 and will then increase to full panels on May 22.

Roy Atwood asked about the possibility of off-site panels. Mr. Spencer commented on the extreme challenge that would create for IT, staff and resources - feels much more comfortable leaving it all in one location.

## Minutes - Board of Directors Meeting of April 6, 2023

Ann Pomykal asked about the 15-20% increase. Chris Littrell explained that some places in Texas are showing a 40% increase.

Alex Buck asked about the implementation of True Roll and they are still working on the development phase.

Board reconvened following the Executive Session at 2:58.

No Action Taken at this time.

### ITEM 9: BUDGET WORKSHOP

Don Spencer distributed a handout to the board with his thoughts for what he would be asking for.

Section 1 outlines the greatest need for 11 new positions and the ability to house said positions. There will be a new department created - Training/Development - the goal is to have someone who can train and develop each department and assess each departments employees to get each person up to speed. Would also look at adding a division to the Customer Service Department of Exemption Processing. Also need an additional Database Administrator, more support for Appeals Department, Additional GIS Specialist in Mapping and additions to the Residential Department working towards the possibility of splitting Residential into 2 Departments with 2 Supervisors. Currently DCAD is Budgeted for 105 FTE's - would like to grow to 116 in 2024. Requesting to increase salaries by 5% - with 3% for COLA and 2% for Merit - looking at comparisons to other CAD's.

Minutes - Board of Directors Meeting of April 6, 2023

Charles Stafford inquired about the possibility of opening our facility up for training purposes with other counties to bring in training and funds.

Alex Buck asked about COLA for retirees. It was cut for 2023 and will it be added back in for 2024. Don Spencer responded that he will be having a discussion with Kim Collins - typically that increase happens every 3 years.

Ann Pomykal reemphasized the need for training stating that we owe it to leadership to give them quality development as well as cyber training and business training.

Section 2 of requests includes an increase in Education and Training - desire for IAAO education, gaining certifications through IAAO - which is more of a step up from what is given at the State Level. Mr. Spencer is also asking department managers to locate good training, workshops, and seminars for individualized and focused training.

Section 3 - Increase in Auto Expenses/Allowances and increase in Contracts/Legal Expenses

Section 4 - IT Maintenance and Hardware Refresh - there is a staggered plan in place to make changes to hardware. Also, looking at an upgraded surveillance system.

Ann Pomykal would like a roadmap for the New Building Plan - short term and long term with timeline for new building plans.

Don Spencer does explain that DCAD has some reserves that can be used to soften the blow of the increase to the entities. Currently looking at a 12% increase to the budget.

## **Section 8.05 Family and Medical Leave (FMLA)**

~~The District DCAD shall provide Family and Medical Leave (“FMLA”) to all eligible employees as required by the Family and Medical Leave Act of 1993. An eligible employee is entitled to a total of twelve up to 12 work weeks of leave during any twelve in a consecutive 12-month period; to be measured forward from the date leave is used.~~ ¶

¶

~~Family Medical Leave consists of paid leave, if any, and unpaid leave together totaling 12 weeks. Eligible employees will be required to use all accumulated paid leave, if any, before going into an unpaid leave status. Family Medical Leave is not additional leave.~~ ¶

¶

~~DCAD measures the 12-month period forward from the first date the employee claims FMLA.~~ ¶

¶

~~Benefits and Protections. During FMLA, DCAD will continue to pay its portion, if any, of group health insurance premiums for the employee on the same terms as if the employee had continued to work. The employee must continue to timely pay their share of health insurance premiums while on FMLA. Failure of the employee to pay their share of the premiums may result in loss of coverage. Upon return from FMLA, most employees will be restored to their original or an equivalent position with equivalent pay, benefits, and other employment terms. Use of FMLA will not result in the loss of any employment benefit that accrued prior to the start of the employee’s leave. However, benefit accruals, such as PTO will be suspended during any unpaid leave.~~

**Eligibility Requirements.** To be eligible for FMLA, an employee must have worked for DCAD for at least one year and for at least 1,250 hours during the previous 12 months.

**Intermittent Leave.** ~~An employee does not need to use their leave entitlement in one block.~~ Leave can be taken intermittently or on a reduced leave schedule when certified by a health care provider to be medically necessary, because of a qualifying exigency, for military caregiver leave or as otherwise approved by their manager. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt DCAD operations. DCAD may temporarily transfer the employee to an alternative position (with equivalent pay and benefits, but not necessarily equivalent duties) in order to better accommodate their intermittent leave schedule.

~~Disability & Workers’ Comp Leave. An employee on workers’ comp or short-term or long-term disability is automatically approved for FMLA if the FMLA’s eligibility requirements are met. This means workers’ comp and short and long-term disability absences run concurrently with FMLA. Employees paid either workers’ comp salary benefits or short-term or long-term disability benefits while on leave are not required to use paid leave.~~ ¶

¶

### **Employee Responsibilities:**

- **Timely Notice.** Employees must provide 30 days advance notice of their need to take FMLA when the need is foreseeable. When 30 days notice the need for leave is not possible foreseeable, the employee must provide notice as soon as practicable and generally must comply with normal DCAD call-in procedures.

## Revision to current policy.

- **Sufficient Information.** Employees must provide sufficient information (to their manager and/or to the Chief Appraiser) so DCAD can determine if the leave may qualify for FMLA protection and its anticipated timing and duration. Sufficient information may include that the employee is unable to perform their job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform their manager and/or the Chief Appraiser if the requested leave is for a reason for which FMLA was previously taken or certified.
- ~~Certifications. Employees must provide a certification and periodic recertification supporting the need for leave within 15 days after it is requested. If the certification is not timely returned, the absence(s) will normally be unexcused and paid leave cannot be used. Refusal to return a certification may also be treated as insubordination. ¶~~
- ~~While out on FMLA~~ **Medical Certification.** When leave is taken due to a serious health condition of the employee or their covered family member, employees must provide a certification form completed by a health care provider supporting the need for leave within 15 days after it is requested. If the certification is incomplete or insufficient, DCAD will notify the employee and allow up to seven days to cure the certification deficiency. DCAD may seek clarification from the employee's health care provider regarding the information contained on the certification form with the employee's written authorization provided to DCAD and the healthcare provider. DCAD reserves the right to request a second opinion from a health care provider chosen by DCAD, at DCAD's expense. In the event of a disagreement between the opinions of the employee's health care provider and DCAD's, a third and binding medical opinion may be sought, also at DCAD's expense.

Employees may be required to submit recertification from their health care provider to support a continuing medical leave every 30 days or at the expiration of the minimum duration of the condition, whichever is later. Such recertification can be requested at any reasonable interval, but not less than every 30 days, unless the employee requests an extension of leave, circumstances described by the previous certification have changed significantly, or DCAD receives information that casts doubt on the continuing validity of the most recent certification.

If the appropriate certification or recertification is not returned, the leave of absence will not be granted and employees may be subject to the DCAD's policies regarding unexcused absences.

- **Qualifying Exigency or Military Caregiver Certifications.** When leave is taken due to a qualifying exigency related to active duty or a call to active duty for the employee's spouse, son, daughter, or parent, or when leave is taken due to service member with a serious illness or injury sustained in the line of duty on active duty, employees should provide appropriate documentation of duty or travel orders or certification from a health care provider. No recertification requirements will apply to such leaves.

Revision to current policy.

- **Notification During Leave.** Employees on FMLA must check in periodically with their manager regarding their ~~status and intent to return to work~~ progress and anticipated longevity of the leave of absence.
- **Returning to Work.** ~~Employees will normally be required to submit a certification before returning.~~ When the reason for leave ends, the employee is expected to return to work promptly. Fitness-for-duty certification will be required in order to verify that an employee is able to return to work if FMLA when leave is taken because of ~~due to their own serious health condition.~~ ¶
- ~~—~~ Certification of fitness to return to duty for absences taken on an intermittent or reduced schedule leave may be required once every 30 days if reasonable safety concerns exist regarding the employee's ability to perform his or her duties. No second or third opinions will apply for fitness-for-duty certifications. If you fail to return to work on the next workday following the expiration of an approved leave or release by the health care provider, absent extenuating circumstances, employees will be deemed to have resigned employment.
- **Other Employment Prohibited.** An employee on FMLA may not engage in outside employment unless expressly authorized in writing, in advance, by the Chief Appraiser.

- ~~—~~ **Fraud.** ¶ An employee who fraudulently obtains FMLA is not protected by the FMLA's job restoration or maintenance of health benefits provisions. ~~Further, an employee who commits fraud will likely be terminated from DCAD employment.~~ ¶

¶  
~~Additional Information. Employees can contact the HR Finance Manager for additional information. Employees may also contact the U.S. Department of Labor or go to its website for more information. This policy does not affect any federal or state law prohibiting discrimination or supersede any state or local law which provides greater family or medical leave rights. This policy is not intended to create any rights to leave beyond those created by the FMLA. DCAD will not interfere with, and employment may be terminated.~~

**FMLA Pay.** All available PTO must be taken at the commencement of any leave period prior to beginning unpaid leave status. The maximum amount of leave time available will be 12 weeks (for those employees who qualify for protection under FMLA) or 26 weeks (for those employees who qualify for military caregiver leave), including both paid and unpaid leave.

If an employee incurs a work-related injury or illness, they cannot substitute PTO for workers' compensation benefits. Workers' compensation benefits may not be supplemented with available PTO. Employees are required to accept any workers' compensation benefits provided.

**Insurance Continuation and Benefits** During FMLA, DCAD will continue to pay its portion, if any, of group health insurance premiums for the employee on the same terms as if the employee had continued to work. During an unpaid leave of absence under FMLA, the employee will be required to submit payments for their portion of insurance premiums monthly to maintain coverage. Use of FMLA will not

result in the loss of any employment benefit that accrued prior to the start of the employee's leave. However, benefit accruals, such as PTO will be suspended during any unpaid leave.

A family or medical leave of absence cannot be counted as a break in service for purposes of vesting or eligibility for participation in a pension or other retirement plan.

**Reinstatement.** Upon return from FMLA, employees will generally be restored to their original position or an equivalent position with equivalent pay, ~~restrain benefits, or deny the exercise of any right provided under the FMLA, and will not discharge or discriminate against anyone for opposing any practice made unlawful by the~~ and other employment terms, if the employee returns to work within the annual 12-week or 26-week entitlement. This reinstatement is contingent upon the continued ability to perform all essential functions of the job, with or without reasonable accommodations.

Employees can contact the HR Finance Manager for additional information on FMLA, or ~~for involvement in any proceeding under or relating to~~ may contact the U.S. Department of Labor or go to its website for more information on FMLA.▪

To be replaced by Parental Leave Policy

**Section 8.09                      Maternity Leave**

DCAD will grant a two week paid Maternity Leave for all employees who qualify. After the paid two weeks, employees must use paid leave for any additional maternity leave. During that time, the employee will receive regular paychecks and accrue benefits. If the employee's time runs out before being able to return to work, the employee takes "leave without pay" and does not accrue benefits. However, the employee may continue in the insurance program with payments arranged through DCAD.

DCAD will allow up to six weeks for an approved Maternity Leave, anything after six weeks will need to be approved by the Chief Appraiser.

## Replacing Maternity Leave Policy

### **8.09 Parental Leave**

DCAD will provide paid parental leave to employees for the birth of an employee's child or the placement of a child with an employee in connection with adoption, foster care or surrogacy. The purpose of paid parental leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave, as applicable.

**Eligibility.** To be eligible for parental leave, an employee must have worked for DCAD for at least 12 months and completed at least 1,250 hours of service during the 12 consecutive months immediately preceding the date leave would begin.

In addition, employees must meet one of the following criteria:

- Currently pregnant or have given birth to a child.
- Be a spouse or committed partner of a woman who has given birth to a child or intended parent of a surrogate.
- Have adopted a child or been placed with a child (in either case, the child must be age 17 or younger).

If an employee's spouse has adopted the employee's child or children (i.e., stepparent adoption), that situation is excluded from this policy.

**Pregnancy, Childbirth, or Related-Conditions Leave.** Employees who are pregnant will receive four weeks of paid parental leave for reasons related to their pregnancy, childbirth, or related conditions. Employees may choose to use any available PTO for additional time off.

**Bonding Leave.** Employees will receive two weeks of paid parental leave to bond with their newborn, surrogate child, newly adopted or newly placed child. Employees may choose to use any available PTO for additional time off.

**Insurance Continuation and Benefits.** During parental leave, an employee's portion of premiums will continue to be taken as regular payroll deductions. Use of parental leave will not result in the loss of any employment benefits that accrued prior to the start of the employee's leave.

**Reinstatement.** Upon return from parental leave, employees will generally be restored to their original position or an equivalent position with equivalent pay, benefits, and other employment terms. Employees needing accommodations to perform the essential functions of their job should refer to the *Pregnancy, Childbirth, and Related Conditions Accommodations* policy.

### **Employee Responsibilities:**

## Replacing Maternity Leave Policy

- **Timely Notice.** Employees must provide at least two weeks' advance notice of their need to take parental leave when the need is foreseeable. When the need for leave is not foreseeable, the employee must provide notice as soon as practicable and generally comply with normal DCAD call-in procedures.
- **Sufficient Information.** Employees must provide sufficient information to their manager and/or to the Chief Appraiser so DCAD can determine if the employee is eligible for parental leave. This sufficient information may include reasonable documentation of their eligibility to take parental leave, including verification of pregnancy or childbirth, adoption, or placement with a foster child or surrogate baby.

Employees can contact the HR Finance Manager for more information on parental leave. If applicable, this policy runs concurrently with Family and Medical Leave (FMLA). Employees should refer to the *Family and Medical Leave (FMLA)* policy in the handbook for more information on FMLA.

### **Pregnancy, Childbirth and Related Conditions Accommodations.**

DCAD will consider all requests for accommodations to individuals who have known limitations related to pregnancy, childbirth, or related medical conditions. When an employee has a need for an accommodation, the employee must let the Human Resources Representative know that an adjustment or a change at work is needed for a reason related to pregnancy, childbirth, or a related medical condition.

Examples of reasonable accommodations may include the ability to sit or drink water; receive closer parking; receive additional break time to use the bathroom, eat, and rest; take leave or time off to recover from childbirth; and be excused from strenuous activities.

Reasonable accommodations will be made for an employee's limitation, unless such an accommodation results in an undue hardship for DCAD. An undue hardship will be based upon an assessment of current circumstances by the Chief Appraiser or designee.

### **Breaks for Nursing Mothers.**

DCAD allows employees who are nursing reasonable breaks in order to express breast milk as frequently as needed during the work period for up to one year after the birth of their child. Employees are to contact their supervisor or Human Resources regarding the facilities and any need for flexibility in the work schedule in order to have the time to express milk.

**TO:** Board of Directors

**FROM:** Don Spencer

**SUBJECT:** Agenda Item #10 – 2024 Proposed Budget Discussion

In an effort to allow for continued improvements in service to the taxpayers and entities of Denton County, we are asking the board to consider the increases to our current budget for operations. We are asking for 11 additional FTE's, a Training and Development department and director, increases in our education budget and some additional funds for IT software subscriptions and hardware refresh.

Leadership has made a concerted effort in closely examining all categories of the budget and assessing our current resources. We have been as conservative as possible while asking for these additional resources. We appreciate all of your consideration and feedback.
