ITEM 4: OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD OF DIRECTORS

PERSONS DESIRING TO ADDRESS THE BOARD OF DIRECTORS MUST FILL OUT A SPEAKER'S CARD PRIOR TO THE MEETING. NO PRESENTATION SHALL EXCEED THREE MINUTES. THE BOARD CANNOT DELIBERATE ON ANY SUBJECT THAT IS NOT INCLUDED ON THE AGENDA.

1. Khosrow Sadeghian - Denton resident for 50 years - manages 100 properties in the area - claims to "get along well" with this CAD as well as many other CAD's in the State of Texas. This year things went awry. Some issues are still lingering due to "the person running the show". Claims his property values went from 10 million to 50 million dollars which Mr. Sadeghian says is unacceptable. In the past he claims he has been able to settle with "the leaders" or at least been able to settle later through mediation or other

Minutes - Board of Directors Meeting of October 13, 2022

means. The problem this year is with the Manager of Residential, Jenna Simek. Mr. Sadeghian spoke immediately prior to the Board meeting with Don Spencer. Asking for justice on his appraisals and claims that he is not receiving that due to bias'. Claims that Mr. Schott, ARB chair, lowered his value on a property from 220,000 to 100,000 and Jenna entered the room and stated that Khosrow "is no good." Mr. Schott changed his opinion and his neutrality at that moment due to Jenna's claims. Mr. Sadeghian is asking for fairness and "fresh faces" in this county. Ms. Simek needs to stop saying that we need more people and more money.

2. Zachary Sadeghian - Denton County Resident for 22 years - spoke on Customer Relationships when dealing with an appraiser - commented that if a personal issue exists with an appraiser - they should be moved to a different appraiser - has never has a situation where an appraiser would jeopardize the situation with the customer/agents
3. Austin Campbell - speaking on behalf of his clients Mr. Sadeghian - requested under the freedom of information Act the remarks during the ARB hearing - hear to reiterate that they are prepared to work with the CAD and appreciate the chance to be heard today and the chance to do what is fair for the taxpayers of Denton County. Property values should not have increased by 5 times in 12 months.
4. Brooke Hambrick - read a letter on behalf of Denton County Judge Andy Eads - letter addressed concern that the matter involved in relieving the Chief Appraiser of her duties has yet to be finalized. Encourages the board to remain mindful of the entities who fund the Appraisal District as severance agreement is considered. States that trust, respect, and credibility must be restored.

ITEM 5: CHIEF APPRAISER'S REPORT

INTERIM CHIEF DON SPENCER

A. LEVY FILE SENT TO TAX ASSESSOR/COLLECTOR

- As of October 5 the ownership and address updates and freeze/refreeze calculations and changes since certification have been submitted to the Tax Assessor's Office so that tax statements can be prepared, printed, and mailed out.
- Tax Office has been very helpful in the process of gathering the tax rate information and other TNT information for State Reporting that Denton CAD does not have access to. Denton CAD is much appreciative of their help.

B. UPDATE ON BUDGET FEEDBACK/MEETINGS WITH ENTITIES

- 16 days since the board approved the revised budget and to this point there has not been any negative feedback received.
- Mr. Spencer has had several conversations with those who have raised concerns and he feels like those have been addressed.
- Mr. Spencer was invited to join the Mayor's Council Meeting on September 28 at the County Courthouse. Approximately 20 mayors in attendance and Don spoke on addressing concerns and plans that the District has to move forward. Many calls and a few invitations to attend Council and/or School meetings have been a product of that meeting.
- In the coming weeks will be speaking at the Flower Mound Town Council and the Denton ISD School Board.
- Working to formulate plans on how Denton CAD can better serve the taxpayers and the entities moving forward.

ITEM 6: CONSENT AGENDA

THE ITEMS ON THE CONSENT AGENDA ARE CONSIDERED SELF-EXPLANATORY BY THE BOARD AND WILL BE ENACTED WITH ONE MOTION. THERE WILL BE NO SEPARATE DISCUSSION ON THESE ITEMS UNLESS A BOARD MEMBER OR CITIZEN SO REQUEST.

- A. APPROVAL OF MINUTES OF THE PREVIOUS BOARD OF DIRECTORS MEETINGS
- B. ACKNOWLEDGE RECEIPT OF MONTHLY FINANCIAL STATEMENTS
- C. ACKNOWLEDGE RECEIPT OF VALUE CHANGES

Charles Stafford made a motion to approve all items on the Consent Agenda. Alex Buck seconded the motion. The motion passed and the vote was unanimous.

ITEM 7: CONSIDER AND TAKE ACTION ON PENALTIES AND INTEREST FOR OUTSTANDING 2022 FOURTH QUARTER ALLOCATIONS

Kim Collins presented a memo outlining the date the fourth quarter invoices were sent to the entities and those that were still outstanding as of September 30. Mrs. Collins did provide those who made payments after September 30 which resulted in bringing the balance down significantly. Presented to the Board to waive the penalties and interest on the outstanding fourth quarter allocations.

Alex Buck inquired about the two large entities who were listed as unpaid - City of Lewisville and City of Carrollton. Both were deposited as of the morning of the Board meeting.

Ann Pomykal made a motion to waive the penalties and interests on the fourth quarter allocations. Charles Stafford seconded the motion. The motion passed and the vote was unanimous.

ITEM 8. CONSIDER AND APPROVE TEXAS COUNTY AND DISTRICT RETIREMENT SYSTEM PLAN AGREEMENT AND PRE-PAID RETIREES COST OF LIVING ADJUSTMENTS FOR PLAN YEAR 2023.

Don Spencer referenced the memo in the Board packet. This item is considering the 2022 budgeted amount COLA adjustments for retirees. Reminder to the board - this was a discussion for the 2023 budget. This was budgeted in the 2022 budget to be funded with the 2022 budget. There is an outline from TCDRS. Recommend and ask the board to approve a 1% flat rate for COLA for the 2022 funding going into effect January 1, 2023. Cost would be \$203,871.

Alex Buck asked if this is money left over from the 2022 Budget to pay for this. Mr. Spencer explained that we budgeted for it in the 2022 year but it does not go into effect until 2023. Mr. Buck clarified that the line item the board removed for COLA was really for 2024 which is accurate.

Minutes - Board of Directors Meeting of October 13, 2022

Ann Pomykal commented for the record that \$43,000 is coming out of reserve to cover a portion of this.

Alex Buck made a motion to approve the TCDRS COLA plan adjustments for 2023. Ann Pomykal seconded the motion. The motion passed and the vote was unanimous.

DATE: November 10, 2022
TO: Board of Directors
FROM: Don Spencer – Deputy Chief Appraiser – Interim Chief Appraiser
SUBJECT: Agenda Item #8 – Discuss, Consider and Approve Changes to BOD Policy

In an effort to ensure that the board of directors have the proper guidance and authority to take necessary action in accordance with the law, I am recommending an amendment to the current policy adopted on December 16, 2021.

I have made changes to the “Meetings” section of the board policy to give a little more definition and distinction between “Regular”, “Special” and “Emergency” meetings, how they may be called and notification requirements for each type.

I also changed the policy to no longer reflect a standing meeting held the fourth Thursday of every month. The policy now will give the board the authority to determine the number of meetings held and when they will be held, staying in compliance with the statutory requirements set for in the Tax Code.

GENERAL INFORMATION

ABOUT THE APPRAISAL DISTRICT

The Denton Central Appraisal District is a political subdivision of the state created pursuant to Subchapter A of Chapter 6 – Local Administration, of the Property Tax Code enacted into law by the 66th Texas Legislature in 1979. The district's primary responsibility is the development of an appraisal roll for use by taxing units in imposing ad valorem taxes on the property in the district. The appraisal district's boundaries are the same as the county's boundaries.

The Board of Directors shall establish general policies within the requirements of state law. Members of the Board of Directors shall exercise authority of office only when acting as a Board legally in session.

The statutory responsibilities of the Board of Directors are outlined within the policies of this manual. Rules of the Board under this manual may be altered, amended or repealed and new rules may be adopted by the Board at any meeting at which a quorum is present.

Property Tax Code Section: 6.01(a-c)
Property Tax Code Section: 6.02(a)

ELIGIBILITY OF BOARD OF DIRECTORS

The Denton Central Appraisal District is governed by a Board of six directors. Five directors are appointed by the taxing units that participate in the district. One director is the county assessor-collector serving as an ex officio member.

To be eligible to serve on the Board of Directors, an individual must be a resident of the Denton Central Appraisal District and must have resided in the district for at least two years immediately preceding the date the individual takes office. An elected official or a member of the governing body of a taxing unit in the appraisal district may serve as a director. An employee of a taxing unit that participates in the Denton Central Appraisal District is not eligible to serve on the district's Board of Directors unless such individual is also a member of the governing body or an elected official of a taxing unit that participates in the district.

An individual is prohibited from serving on the Board of Directors if they have engaged in appraising property or represented property owners for compensation in the preceding three years. It is also prohibited if someone they are related to is in the business of appraising property for compensation for use in proceedings or represents property owners for a fee in proceedings in the appraisal district. Relatives barred are those within the second degree by consanguinity (blood) or affinity (marriage).

The Chief Appraiser may not employ any individual related to a member of the Board of Directors within the second degree by affinity or within the third degree by consanguinity. A person commits an offense if the person intentionally or knowingly violates this subsection.

A person is ineligible to serve on the Board of Directors if the individual, or a business in which the individual has a substantial interest, enters into a contract with the appraisal district or a

taxing unit in the district if the contract activity is governed by the code. Substantial interest is defined as the person and person's spouse having a combined ownership of at least ten percent (10%) of the voting stock or shares of a business, or the person or person's spouse is a partner, limited partner, or an officer of a business. An appraisal district is barred from contracting with a Board member or a business entity in which a Board member has a substantial interest. A taxing unit is prohibited from making a tax-related contract with a member of the Board of Directors or a business entity in which the member has a substantial interest.

A person is ineligible to serve if they own property on which delinquent taxes have been owed to a taxing unit for more than 60 days after the date the individual knew or should have known of the delinquency unless the delinquent taxes and any penalties and interest are being paid under an installment payment agreement under PTC Section 33.02; or a suit to collect the delinquent taxes is deferred or abated under PTC Section 33.06 or 33.065.

A person is ineligible to serve on the Board of Directors if the individual has served as a member of the Board of Directors for all or part of five terms, unless the individual was the county assessor-collector at the time the individual served as a Board member. Board of Directors prior to 01/01/2022 shall not count towards the total number of terms served.

A person is ineligible to serve if they have been an employee of the appraisal district at any time during the preceding three years.

Property Tax Code Section: 6.03(a)
Property Tax Code Section: 6.035(1-2)

EX OFFICIO MEMBER

If the county assessor-collector is not appointed to the Board of Directors, the county assessor-collector serves as a non voting director or ex officio member.

"Ex officio" refers to a Board member who has their position because of the office that person holds, which in this case is the county assessor-collector.

The ex officio member is not elected, rather they have agreed to serve on the Board because the organization needs their expertise or influence in that position. An ex officio Board member generally attends meetings and partakes in debates and discussions, but they are not considered full members of the Board with voting rights and are not counted as official members of the Board for legal purposes, but do count towards the establishment of a quorum.

The county assessor-collector, as a non voting member, does not have a term limit.

Property Tax Code Section: 6.03(a-b)

ETHICS POLICY

It is the policy of the Denton Central Appraisal District that the Board members of the district are independent, impartial, and responsible to the taxpayers of Denton County; this public office position should not be used for personal gain; and that state laws applicable to the conduct of public officials are observed.

A Board member shall not accept or solicit any gift or favor that might reasonably tend to influence that individual in the discharge of their official duties. Nor shall the member accept any gift or favor that they know, or should know, has been offered with the intent to influence or reward official conduct.

A member shall not use their official position with the Denton Central Appraisal District to secure a special privilege, consideration, or exemption for themselves or others, or to secure confidential information for any purpose other than official responsibilities.

A member shall not use district facilities, personnel, equipment, or supplies for private purposes, except to the extent such are lawfully available to the public.

A member may not participate in a vote or decision on a matter affecting a person, business entity, or property in which the member has a substantial interest.

A member shall not use information received in connection with their official position for their own purposes or those acting on their behalf or gain unless such information can be known by ordinary means to any ordinary citizen.

A member of the Board of Directors who violates any requirement of this policy shall be subject to review and action by the appointing authority. A taxing unit may ask for the recall of any director the unit voted for in the appointment process.

TERM OF BOARD OF DIRECTORS MEMBERS

Members of the Denton Central Appraisal District Board of Directors, other than a county assessor-collector, serve two (2) year terms beginning on January 1 of even-numbered years.

Starting in January 2022, a member of the DCAD Board of Directors can only serve for all or part of five terms in their lifetime.

Property Tax Code Section: 6.03(b), 6.035(a-1)

SELECTION OF BOARD MEMBERS

Before October 1st on odd-numbered years, the Chief Appraiser shall calculate the number of votes to which each taxing unit is entitled and shall deliver a written notice to the county judge, each commissioner, and to the presiding officer of each governing body the number of votes they are entitled.

The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district.

Before October 15th on odd numbered years, each presiding officer of the governing body shall submit the names of the unit's nominees by written resolution adopted by its governing body. They shall submit one candidate for each voting position (five candidates total) to be filled on the Board of Directors.

Before October 30th on odd numbered years, the Chief Appraiser shall prepare a ballot, listing the candidates whose names were timely submitted, alphabetically according to the first letter in each candidate's surname, and shall deliver a copy of the ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote. The Chief Appraiser will vet the candidates based on the eligibility of candidates listed in the Property Tax Code, Section 6.03(a) and 6.035(1-2).

Before December 15th, each governing body may choose (by written resolution) the candidate or candidates of their choice. A governing body may cast all its votes for one candidate or distribute them among candidates for any number of directorships.

The governing body of each taxing unit entitled to cast at least five percent (5%) of the total votes must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the Chief Appraiser delivers the ballot to the presiding officer of the governing body. The governing body must submit its vote to the Chief Appraiser not later than the third day following the date the resolution is adopted.

Before December 31st, the Chief Appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected and submit the results to the governing body of each taxing unit in the district and to the candidates.

Exceptions are made for conservation and reclamation districts, Denton County does not have any conservation and reclamation districts at this time.

Property Tax Code Section: 6.03(c-k) and 6.031

VACANCIES ON THE BOARD OF DIRECTORS

The Board of Directors shall be notified of any vacancy that occurs. If a vacancy occurs on the Board of Directors other than a vacancy in the position held by a county assessor- collector serving as a non voting director, each taxing unit that is entitled to vote by this section may nominate, by resolution adopted by its governing body, a candidate to fill the vacancy.

The unit shall submit the name of its nominee to the Chief Appraiser within forty five (45) days after notification from the Board of Directors of the existence of the vacancy, and the Chief Appraiser shall prepare and deliver to the Board of Directors within the next five (5) days a list of the nominees. The Board of Directors shall elect by majority vote of its members one of the nominees to fill the vacancy.

Property Tax Code Section: 6.03(l)

RECALL OF DIRECTOR

The governing body of a taxing unit may call for the recall of a member of the Board of Directors for whom the unit cast any of its votes in the appointment of the Board. The call must be in the form of a resolution, be filed with the Chief Appraiser, and state that the unit is calling for the recall of the member. If a resolution calling for the recall of a Board member is filed, the Chief Appraiser, not later than the 10th day after the date of filing, shall deliver a written notice of the filing of the resolution and the date of its filing to the presiding officer of the governing body of each taxing unit entitled to vote in the appointment of Board members.

On or before the 30th day after the date on which a resolution calling for the recall of a member of the Board is filed, the governing body of a taxing unit that casts any of its votes in the appointment of the Board for that member may vote to recall the member by resolution submitted to the Chief Appraiser. Each taxing unit is entitled to the same number of votes in the recall as it cast for that member in the appointment of the Board. The governing body of the taxing unit calling for the recall may cast its votes in favor of the recall in the same resolution in which it called for the recall.

On or before the 15th day after the date on which a taxing unit's ballot is delivered, the governing body of the taxing unit shall determine its vote by resolution and submit it to the Chief Appraiser. On or before the 15th day after the last day on which a taxing unit may vote, the Chief Appraiser shall count the votes, declare the candidate who received the largest vote total appointed, and submit the results to the presiding officer, or secretary if the presiding officer is being recalled, of the governing body of the appraisal district and of each taxing unit in the district and to the candidates. A complaint may be filed with the Board by any of the following persons or entities: an owner of taxable property in the appraisal district; a taxing unit for which the appraisal district appraises property; the ARB or any member thereof; the Chief Appraiser; or any employee of the appraisal district.

The following items, which may be protested to the ARB, per Section 41.41 of the Tax Code, cannot be resolved by the Board of Directors: 1) determination of appraised value, 2) unequal appraisal, 3) inclusion of property on appraisal records, 4) denial of an exemption, 5) disqualification for special appraisal, 6) identification of taxing units wherein taxable, 7) determination of ownership, 8) determination that a change of use of land previously receiving special appraisal under Chapter 23 of the Tax Code has occurred, and 9) any other action that applies to the property owner and adversely affects them.

The Board will not respond to the complaint filed until any undercover investigation has been concluded and dismissed. The complaint must state explicitly the issues involved with appropriate documentation, and must be signed and dated by the complainant. The Board shall notify the parties when a complaint is finally resolved. If a complaint is addressed to some action or omission specifically on the part of an individual member of the Board of Directors then the remaining Board of Directors, and as deemed appropriate by the Board, the taxing unit(s) casting votes for the Board member about which the complaint is filed, will investigate and resolve the complaint.

If a complaint is addressed to some action or omission specifically on the part of the Chief Appraiser, or if it otherwise appears that the Chief Appraiser could not objectively investigate the complaint and make impartial recommendations to the Board, then the chairman of the Board may refer the complaint to some other party with reasonable qualifications, as determined by the Board, to perform the functions of the Chief Appraiser with regard to investigating the complaint and making recommendations to the Board.

The Board of Directors may remove the member of the appraisal review board serving as chairman of the appraisal review board from that member's position as chairman if the Board of Directors determines that the chairman has failed to take the actions necessary to bring the appraisal review board into compliance with Section 5.103(d) or this chapter, as applicable.

An offense under this section is a Class A misdemeanor.

Due to the strict time constraints placed on the ARB in regard to completion of the appraisal roll and the certification of the appraisal rolls by the Chief Appraiser, and the necessity for reliable attendance of ARB members, the Board of Directors adopts the following attendance policy:

- If an ARB member misses three (3) consecutive ARB called meetings and/or requests for service on hearing panels per calendar year, the Board of Directors, by majority vote, may remove the ARB member for good cause.
- If the ARB member presents reasons for their absences, the Board of Directors will consider those reasons in the enforcement of this policy. Reasons for lack of attendance may include, but not be limited to, death in the immediate family, sickness of individual or family members, and request for judicial service for jury duty, summons for court appearance or other personal related incidents acceptable to the Board of Directors.
- ARB members appointed for service to the ARB must serve at least 60% percent of the days requested to serve during the protest process from May through August each year. If the ARB member does not serve the required days, the Board of Directors may remove the ARB member from service.

FINANCIAL

ANNUAL BUDGET

The Board shall consider and approve an annual budget for the future year by September 15th of the current year. The fiscal year for the Denton Central Appraisal District is the calendar year.

Prior to June 15th, the Chief Appraiser will deliver a copy of the proposed budget to the taxing units and the Board of Directors. The Board of Directors will hold a public hearing separate from, but in conjunction with, a regular monthly meeting before September 15th, to consider the Chief Appraiser's proposed budget, make their desired amendments, and finally approve the budget. Prior to the budget hearing, the required written notice regarding the time, date, and place of the hearing must be provided to the presiding officer of the taxing unit, as mandated by statute.

As part of the annual budgetary process, the Board of Directors shall consider and approve transfers from Reserved funds as presented by the Chief Appraiser. Use of reserved funds would be considered for unique and non-recurring expenses. The Chief Appraiser has the authority to make intra- and inter-departmental transfers during the fiscal year as necessary to avoid over-expenditures of a particular account. Such transfers do not constitute a budget amendment for purposes of the PTC Section 6.06(c) therefore no notification to the taxing entities is required as long as the total dollar amount of the budget is not changed. In the event that the budget must be amended, the Board shall follow PTC Section 6.06(c).

It is further the budget policy of the Board of Directors of the Denton Central Appraisal District, to address the District's long-term budgetary obligations, that in the event the District's operations are assumed by a different agency and the assuming agency does not also assume

the full liability, funded and unfunded, if any, in the Denton Central Appraisal District's Texas County District Retirement System (TCDRS) plan; or the District ceases to operate for any reason, the Board shall allocate assets, current budget funds, and budget reserve funds toward securing the District's unfunded liability, if any, in the TCERS.

Any purchase over \$50,000 the Chief Appraiser will take to the Board of Directors for approval.

This section of the budget policy should be read in conjunction with the "Budget Surplus Policy", to understand the overall budget concept of the Board of Directors.

ALLOCATIONS

Each taxing unit participating in the district is allocated a portion of the amount of the budget equal to the proportion that the total dollar amount of property taxes imposed in the district by the unit for the preceding tax year in which the budget proposal is prepared bears to the sum of the total dollar amount of property taxes imposed in the district by each participating unit for that year. If a taxing unit participates in two or more districts, only the taxes imposed in Denton County are used to calculate the unit's cost allocations. If the number of real property parcels in a taxing unit is less than 5 percent of the total number of real property parcels in the district and the taxing unit imposes in excess of 25 percent of the total amount of the property taxes imposed in the district by all of the participating taxing units for a year, the unit's allocation may not exceed a percentage of the appraisal district's budget equal to three times the unit's percentage of the total number of real property parcels appraised by the district.

Each taxing unit shall pay its allocation in four equal payments to be made at the end of each calendar quarter, and the first payment shall be made before January 1 of the year in which the budget takes effect. A payment is delinquent if not paid on the date it is due. A delinquent payment incurs a penalty of 5 percent of the amount of the payment and accrues interest at an annual rate of 10 percent. If the budget is amended, any change in the amount of a unit's allocation is apportioned among the payments remaining. For good cause shown, the Board of Directors may waive the penalty and interest on a delinquent payment.

Payments shall be made to a depository designated by the district Board of Directors. The district's funds may be disbursed only by a written check, draft, or order. Authority has been granted to the Chief Appraiser through a resolution of the Board that all bills or obligations of the district incurred by contracts or agreements previously approved by the district be paid when due upon request by the Chief Appraiser, without further approval by the Board.

If a taxing unit decides not to impose taxes for any tax year, the unit is not liable for any of the costs of operating the district in that year, and those costs are allocated among the other taxing units as if that unit had not imposed taxes in the year used to calculate allocations. However, if that unit has made any payments, it is not entitled to a refund.

If a newly formed taxing unit or a taxing unit that did not impose taxes in the preceding year imposes taxes in any tax year, that unit is allocated a portion of the amount budgeted to operate the district as if it had imposed taxes in the preceding year, except that the amount of taxes the unit imposes in the current year is used to calculate its allocation. Before the amount of taxes to be imposed for the current year is known, the allocation may be based on an estimate to which the district Board of Directors and the governing body of the unit agree, and the payments made

after that amount is known shall be adjusted to reflect the amount imposed. The payments of a newly formed taxing unit that has no source of funds are postponed until the unit has received adequate tax or other revenues.
