DATE: February 15, 2024

TO: Board of Directors

FROM: Don Spencer

SUBJECT: Agenda Item #8 - Consider and Appoint Agricultural Advisory Board Member

We currently have 3 vacancies on the Agriculture Advisory Board. I am asking the board's approval to appoint Eddie Baggs, Daphne Zollinger, Tom Rainey and David Fuller in accordance with 6.12 of the Texas Property Tax Code. According to 6.12(c), members must serve two-year staggered terms. In order to stagger the terms of these members, we have drawn lots and the order is as follows:

Eddie Baggs & Daphne Zollinger – 2 year term

Tom Rainey & David Fuller – 1 year term

This will provide for 5 members total on the advisory board. Jeff Duesman is starting his 2<sup>nd</sup> year of a 2 year term.

Will need board action to approve this or discuss other recommendations to fill the vacancies on the Agriculture Advisory Board.

SUBJECT: Agenda Item #9 - Consider and Approve Changes to Personnel Policy

The current personnel policy has a strict nepotism policy in place that restricts any one from being employed by the district if they are related to a current employee within the first degree of affinity or consanguinity. In surveying other appraisal districts, Denton CAD seems to be an outlier in retaining of such a policy. Furthermore, the Chief Appraiser feels that in some cases, a policy such as this limits the CAD in some instances from being able to employ qualified and talented individuals that would otherwise be a great fit for our organization. I would like to ask the board of directors for authorization to strike these restrictions from our current policy, allowing me as the Chief Appraiser the necessary discretion to make hiring decisions that would otherwise be restricted by current policy. Please see attached for recommended changes to policy:

### Section 3.07 Nepotism Policy

In order to prevent conflicts of interest, avoid accusations and perceptions of biased conduct, and the appearance of unfair treatment, it is the policy of DCAD that:

- Applicants and current employees related to the Chief Appraiser, any member of the DCAD Board of Directors, or any member of the Appraisal Review Board by blood or marriage within the first or second degree according to common law shall not be employed by DCAD.
- An employee who is, or becomes, related to the Chief Appraiser, any member of the DCAD Board of Directors, or any member of the Appraisal Review Board may lose eligibility for continued employment.
- ~~Applicants who are related to any current employee by blood or marriage within the first degree according to common law shall not be employed by DCAD. Current employees must disclose that information immediately to the Chief Appraiser.~~
- ~~Current Employees who have any first degree relations that existed when this Employee Handbook became effective are exempt from this policy. Although, moving forward current employees will not be eligible to apply for a position that is either a subordinate or managerial position over/under a first degree relation. A change in first degree relationships (through marriage or divorce) will need to be reported to the Chief Appraiser immediately.~~
